**SUMMARY:** The EPA proposes to grant conditional approval of the State Implementation Plan (SIP) revision submitted by the state of Missouri for the purpose of fulfilling the requirements set forth in the EPA's General Conformity rule. If no adverse comments are received in response to this proposed rule, no further activity is contemplated in relation to this rule. If the EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule.
