[Docket A(32b1)-1-97]

Foreign-Trade Zone 62—Brownsville, TX; Request for Manufacturing Authority AMFELS, Inc. (Offshore Drilling Platforms/Shipbuilding)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Brownsville Navigation District, grantee of FTZ 62, pursuant to § 400.32(b)(1) of the Board's regulations (15 CFR Part 400), requesting authority on behalf of AMFELS, Inc. (AMFELS)(a subsidiary of FELS Offshore PTE Ltd., of Singapore), for the manufacture, refurbishment and repair of mobile offshore drilling and other oceangoing vessels under FTZ procedures within FTZ 62. It was formally filed on February 25, 1997.

AMFELS operates a 133-acre facility (800 employees) within FTZ 62-Site 8 (Brownsville Navigation District) for the manufacture, refurbishment and repair of offshore petroleum drilling/production platforms (HTSUS#8905.20), classified as oceangoing vessels. Up to 70 percent of the components of the platforms are purchased from foreign sources, including steel plates, high pressure pipes and fittings, electric cables, and steel cable anchor chains

(1997 duty rate range: free-6.2%, ad valorem).

This application requests authority to allow AMFELS to conduct the activity under FTZ procedures, subject to the "standard shipyard restriction" applicable to foreign-origin steel mill products, which requires that full duties be paid on such items.

FTZ procedures would exempt AMFELS from Customs duty payments on the foreign components used in export activity (currently 100% of shipments). On its domestic sales, the company would be able to choose the duty rate that applies to finished oceangoing vessels (duty free) for the foreign electric cables and cable anchor chains noted above. Foreign-sourced steel mill products, such as pipe and plate, would be subject to the full Customs duties applicable to those items. FTZ procedures would also exempt certain merchandise from certain ad valorem inventory taxes. The application indicates that the savings from FTZ procedures would help improve the facility's international competitiveness.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 7, 1997. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to April 21, 1997).

A copy of the application will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, Room 3716, U.S. Department of Commerce, 14th Street & Pennsylvania Avenue, NW, Washington, DC 20230.

Dated: February 27, 1997.

Executive Secretary.

In accordance with sections 353.22(a) and 355.22(a) of the regulations, an interested party as defined by section

353.2(k) may request in writing that the Secretary conduct an administrative review. The Department has changed its

requirements for requesting reviews for countervailing duty orders. Pursuant to 19 C.F.R. 355.22(a) of the regulations, an

interested party must specify the individual producers or exporters covered by the order or suspension agreement for which they are requesting a review (Interim Regulations, 60 FR 25130, 25137 (May 11, 1995)).

Therefore, for both antidumping and countervailing duty reviews, the interested party must specify for which individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin, and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room B-099, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 353.31(g) or 355.3(g) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the Federal Register a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation," for requests received by the last day of March 1997. If the Department does not receive, by the last day of March 1997, a request for review of entries covered by an order, finding, or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute, but is published as a service to the international trading community.

Dated: February 25, 1997.
Joseph A. Spetrini,
Deputy Assistant Secretary for Group III.

BILLING CODE 3510-DS-M

Determination Not To Revoke Antidumping Duty Orders and Findings Nor To Terminate Suspended Investigations

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Determination not to revoke antidumping duty orders and findings nor to terminate suspended investigations.

SUMMARY: The Department of Commerce is notifying the public of its determination not to revoke the antidumping duty orders and findings nor to terminate the suspended investigations listed below.

EFFECTIVE DATE: March 7, 1997.

FOR FURTHER INFORMATION CONTACT: Michael Panfeld or the analyst listed under Antidumping Proceeding at: Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, N.W., Washington, D.C. 20230.

SUPPLEMENTARY INFORMATION: The Department of Commerce (the Department) may revoke an antidumping duty order or finding or terminate a suspended investigation, pursuant to 19 CFR § 353.25(d)(4)(iii), if no interested party has requested an administrative review for four consecutive annual anniversary months and no domestic interested party objects to the revocation or requests an administrative review.

We had not received a request to conduct an administrative review for the most recent four consecutive annual anniversary months. Therefore, pursuant to § 353.25(d)(4)(i) of the Department's regulations, on November 27, 1996, we published in the Federal Register a notice of intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations and served written notice of the intent to each domestic interested party on the Department's service list in each case. Within the specified time frame, we received objections from domestic interested parties to our intent to revoke these antidumping duty orders and findings and to terminate the suspended investigations. Therefore, because domestic interested parties objected to our intent to revoke or terminate, we no longer intend to revoke

these antidumping duty orders and findings or to terminate the suspended investigations.
