**Florida Gas Transmission Company;  
Notice of Filing of Revised Rates and  
Motion To Place Suspended Rates, As  
Revised, and Suspended Tariff Sheets  
Into Effect**

Take notice that on February 27, 1997, the Florida Gas Transmission Company

(FGT) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1 the revised tariff sheets identified on Attachment A hereto.

FGT states that pursuant to Section 4(e) of the Natural Gas Act (NGA) and Sections 154.7, 154.201, et seq., and 154.301, et seq. of the Regulations of the Federal Regulatory Commission (Commission), it filed on August 30, 1996 in the instant docket, revised tariff sheets to effectuate increases in rates and changes in the terms and conditions applicable to FGT's jurisdictional services, proposed to become effective on October 1, 1996.

FGT states that by order dated September 30, 1996 (September 30 Order), the Commission accepted the revised tariff sheets for filing and suspended them to become effective on March 1, 1997, subject to refund and subject to conditions stated in the September 30 Order. Ordering Paragraph (A) of the September 30 Order directed FGT to refile tariff sheets to reflect the correct Annual Charge Adjustment (ACA) and the elimination of costs of facilities not in service by the end of the test period, at the time FGT filed its motion to place the suspended rates into effect.

FGT also states that on December 10, 1996, FGT and its customers filed a settlement in the instant docket, which resolved certain operational issues (Operational Settlement). The Operational Settlement was approved by the Commission order dated January 16, 1997 (January 16 Order). The Operational Settlement provided that FGT would withdraw its request to acquire third party storage capacity and remove the costs associated with such storage from its proposed rates.

FGT states that the rates contained on the tariff sheets filed herewith reflect the elimination of the costs of facilities not in service by the end of the test period and the removal of the costs associated with FTS's proposed acquisitions of third party storage capacity. FGT has moved that such rates be placed in effect on March 1, 1997.

In addition, FGT states that it is moving into effect the tariff sheets listed on Attachment B hereto which have not been revised from FGT's filing on August 30, 1996.

Any person desiring to protest said filing should file a motion protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests should be filed on or before March 11, 1997. Protests will be considered by the Commission in

determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the public Reference Room.
