Intergovernmental Review of Federal Programs

This program is subject to the requirements of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 CFR Part 79.

The objective of the Executive Order is to foster an intergovernmental partnership and to strengthen federalism by relying on State and local processes for State and local government coordination and review of proposed Federal financial assistance.

Applicants must contact the appropriate State Single Point of Contact to find out about, and to comply with, the State's process under Executive Order 12372. Applicants

proposing to perform activities in more than one State should immediately contact the Single Point of Contact for each of those States and follow the procedure established in each State under the Executive order. If you want to know the name and address of any State Single Point of Contact, see the list published in the Federal Register on August 20, 1996 (61 FR 43133-43135).

In States that have not established a process or chosen a program for review, State, areawide, regional, and local entities may submit comments directly to the Department.

Any State Process Recommendation and other comments submitted by a State Single Point of Contact and any comments from State, areawide, regional, and local entities must be mailed or hand-delivered by the date indicated in this notice to the following address: The Secretary, E.O. 12372—CFDA# 84.203, U.S. Department of Education, Room 6213, 600 Independence Avenue, S.W. Washington, D.C. 20202-0124.

In those States that require review for this program, applications are to be submitted simultaneously to the State Review Process and the U.S. Department of Education.

Proof of mailing will be determined on the same basis for applications (see 34 CFR 75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (Washington, D.C. time) on the date indicated in this notice.

PLEASE NOTE THAT THE ABOVE ADDRESS IS NOT THE SAME ADDRESS AS THE ONE TO WHICH THE APPLICANT SUBMITS ITS COMPLETED APPLICATION. DO NOT SEND APPLICATIONS TO THE ABOVE ADDRESS. INSTRUCTIONS FOR TRANSMITTAL OF APPLICATIONS:

Note: The deadline for receipt of applications is May 9, 1997. All applications must be received on or before that date. This requirement takes exception to EDGAR, 34 CFR 75.102. In accordance with the Administrative Procedure Act (5 U.S.C. 553), it is the practice of the Secretary to offer interested parties the opportunity to comment on proposed regulations. However, this amendment makes procedural changes only and does not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), proposed rulemaking is not required.

This closing date and procedures for guaranteeing timely submission will be strictly observed.

(a) If an applicant wants to apply for a grant, the applicant shall—

(1) Mail the original and two copies of the application to: U.S. Department of Education, Application Control Center, Attention: (CFDA #84.203 A and C), Washington, D.C. 20202-4725 or

(2) Hand deliver the original and two copies of the complete application by 4:30 p.m. (Washington, D.C. time) on or before the deadline date to: U.S. Department of Education, Application Control Center, Attention: (CFDA #84.203 A or C), Room #3633, Regional Office Building #3, 7th and D Streets, S.W., Washington, D.C.

The Application Control Center will accept deliveries between 8:00 a.m. and 4:30 p.m. (Eastern Standard time) daily, except Saturdays, Sundays and Federal holidays.

Individuals delivering applications must use the D Street entrance. Proper identification is necessary to enter the building.

In order for an application sent through a Courier Service to be considered timely, the Courier Service must be in receipt of the application on or before the closing date.

Note: Although applicants are not obligated to do so, it would be helpful if an additional two copies of the application were submitted (an original and four copies). The additional copies would be used during the review process.

(b) An applicant must show one of the following as proof of mailing:

(1) A legibly dated U.S. Postal Service postmark.

(2) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

Notes: (1) The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an applicant should check with its local post office.

(2) The Application Control Center will mail a Grant Application Receipt Acknowledgment to each applicant. If an applicant fails to receive the notification of application receipt within 15 days from the date of mailing the application, the applicant should call the U.S. Department of Education Application Control Center at (202) 708-9495.

Application Instructions and Forms

The appendix to this notice contains forms and instructions plus a statement regarding estimated public reporting burden, a notice to applicants regarding compliance with section 427 of the General Education Provisions Act, and various assurances and certifications. In preparing your application for submission to the Department, please organize your submitted application as follows:

1. *Application for Federal Assistance* (Standard Form 424 (Rev. 4-88)).

2. *Budget Information—Non-Construction Programs* (Standard Form 524).

Special Budget Instructions

The Department is participating in the Administration's Reinventing Government Initiative. As part of that initiative, the National Performance Review urged the Department to "eliminate the continuation application process for budget years within the project period" and replace it with "yearly program progress reports focusing on program outcomes and problems related to program implementation and service delivery." The Department implemented this recommendation for programs beginning in fiscal year 1995. This policy requires all applicants for multi-year awards to provide detailed budget information for the total grant period requested. The Department will review at the time of the initial award the funding levels for each year of the grant award. A new generic budget form, included in this package, requests the relevant information in accordance with this initiative.

By requesting detailed budget information in the initial application for the total project period, the need for formal noncompeting continuation applications in the remaining years will be eliminated. An annual report will be used in place of the continuation application to determine progress, thereby relieving grantees of the burden to resubmit assurances, certifications, etc.

3. *Application Narrative*.

4. *Estimated Public Reporting Burden*.

5. *Assurances—Non-Construction Programs* (Standard Form 424B).

6. *Certification Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; and Drug-Free Workplace Requirements* (ED 80-0013, 6/90).

7. *Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion: Lower Tier Covered Transactions* (ED 80-0014, 9/90) and

instructions. (NOTE: ED 80-0014 is intended for the use of grantees and should not be transmitted to the Department.)

8. *Disclosure of Lobbying Activities* (Standard Form LLL) (if applicable) and instructions. The document has been marked to reflect statutory changes. See the notice published by the Office of Management and Budget at 61 FR 1413 (January 19, 1996).

9. *Notice to Applicants*.

An applicant may submit a photostatic copy of the application and budget forms, the assurances, and the certifications. However, the application form, the assurances, and the certifications must each have an original signature. No grant may be awarded unless a completed application form has been received.

Section 427 of GEPA affects applicants for new discretionary grant awards under this program. *ALL APPLICANTS FOR NEW AWARDS MUST INCLUDE INFORMATION IN THEIR APPLICATIONS TO ADDRESS THIS NEW PROVISION IN ORDER TO RECEIVE FUNDING UNDER THIS PROGRAM.*

What Does This Provision Require?

Section 427 requires each applicant for funds (other than an individual person) to include in its application a description of the steps the applicant proposes to take to ensure equitable access to, and participation in, its federally-assisted program for students, teachers, and other program beneficiaries with special needs.

This section allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation that you may address: gender, race, national origin, color, disability, or age. Based on local circumstances, you can determine whether these or other barriers may prevent your students, teachers, etc. from equitable access or participation. Your description need not be lengthy; you may provide a clear and succinct description of how you plan to address those barriers that are applicable to your circumstances. In addition, the information may be provided in a single narrative, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of civil rights statutes, but rather to ensure that, in designing their projects, applicants for Federal funds address equity concerns that may affect the ability of certain potential beneficiaries to fully participate in the project and to achieve to high standards. Consistent with program requirements and its approved

application, an applicant may use the Federal funds awarded to it to eliminate barriers it identifies.

What Are Examples of How an Applicant Might Satisfy the Requirement of This Provision?

The following examples may help illustrate how an applicant may comply with section 427.

(1) An applicant that proposes to carry out an adult literacy project serving, among others, adults with limited English proficiency, might describe in its application how it intends to distribute a brochure about the proposed project to such potential participants in their native language.

(2) An applicant that proposes to develop instructional materials for classroom use might describe how it will make the materials available on audio tape or in braille for students who are blind.

(3) An applicant that proposes to carry out a model science program for secondary students and is concerned that girls may be less likely than boys to enroll in the course, might indicate how it tends to conduct "outreach" efforts to girls, to encourage their enrollment.

We recognize that many applicants may already be implementing effective steps to ensure equity of access and participation in their grant programs, and we appreciate your cooperation in responding to the requirements of this provision.
