**Pacific Gas & Electric Company; Notice of Proposed Restricted Service List for a Programmatic Agreement for Managing Properties Included in or Eligible for Inclusion in the National Register of Historic Places**

January 6, 1997.

Rule 2010 of the Commission's Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding (18 CFR 385.2010). The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission is consulting with the California Office of Historic Preservation (hereinafter, "SHPO") and the Advisory Council on Historic Preservation (hereinafter, "Council") pursuant to the Council's regulations, 36 CFR Part 800, implementing § 106 of the National Historic Preservation Act, as amended (16 U.S.C. § 470f), to prepare a programmatic agreement for managing historic properties—i.e., those included in, or eligible for inclusion in, the National Register of Historic Places—that may be affected by a license issuing for Project No. 1988.

The programmatic agreement, when executed by the Commission, the SHPO, and the Council, would satisfy the Commission's § 106 responsibilities for all individual undertakings carried out in accordance with the license until the license expires or is terminated.

The Commission's responsibilities pursuant to the § 106 for Project No. 1988 would be fulfilled through one programmatic agreement which the Commission proposes to draft in consultation with certain parties listed below. The executed programmatic agreement would be incorporated into any order issuing license.

Thus, we propose, as an initial consideration, to restrict the service list to the SHPO and the Council, with

whom we propose to execute the Programmatic Agreement. Pacific Gas & Electric Company, moreover, as prospective licensee for Project No. 1988, and the Sierra National Forest, the entity managing the land on which the project is located, are invited to participate in consultations to develop the Programmatic Agreement and to sign it as concurring parties. Our proposed restricted service list for executing a Programmatic Agreement for Project No. 1988, follows:

Cherilyn Widell, Director, Office of Historic Preservation, Department of Parks and Recreation, P.O. Box 942896, Sacramento, CA 94296-0001, telephone (916) 653-6624.

Carol Glickman, Historic Preservation Specialist, Advisory Council on Historic Preservation, 12136 West Bayaud Avenue, Suite 330, Lakewood, CO 80228, telephone (303) 969-5110.

Terry A. Morford, Manager, Hydro Generation, Pacific Gas & Electric Company, 245 Market Street, Room 1103, Mail Code N11C, P.O. Box 770000, San Francisco, CA 94177, telephone (415) 973-5311.

Mr. James L. Boynton, Forest Supervisor, Sierra National Forest, 1600 Tollhouse Road, Clovis, CA 93611-0532, telephone (209) 297-0706.

Any person on the official service list for the above-captioned proceedings may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date. An original and 8 copies of any such motion must be filed with Secretary, Federal Energy Regulatory Commission, 888 First Street, Northeast, Washington, DC 20426, and must be served on each person whose name appears on the official service list.

If no such motions are filed, the restricted service list will be effective at the end of the 15 day period. Otherwise, a further notice will be issued ruling on the motion.
