The lands are not needed for Federal purposes. Conveyance is consistent with the current BLM land use planning and would be in the public interest.

The patent, when issued, will be subject to the following terms, conditions, and reservations:

1. Provisions of the Recreation and Public Purposes Act and to all applicable regulations of the Secretary of the Interior.

2. A right-of-way for ditches and canals constructed by the authority of the United States.

3. All minerals shall be reserved to the United States, together with the right to prospect for, mine, and remove materials.

4. An easement for streets, roads, and utilities in accordance with the transportation plan for each County.

Detailed information concerning this action is available for review at the office of the Bureau of Land Management, Folsom Resource Area, 63 Natoma Street, Folsom, California.

Upon publication of this notice in the **Federal Register**, the land will be segregated from all forms of appropriation under the public land laws, including the general mining laws, except for conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws. For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested persons may submit comments regarding the proposed conveyance or classification of the lands to the Area Manager, Folsom Resource Area Office, 63 Natoma Street, Folsom CA 95630.

Classification Comments

Interested parties may submit comments involving the suitability of the lands. Comments on the classification are restricted to whether the land is physically suited to the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with the State and Federal programs.

Application Comments

Interested parties may submit comments regarding the specific use proposed in the applications and plan of developments, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land.

Any adverse comments will be reviewed by the State Director. In absence of any adverse comments, the classification will become effective 60 days from the date of publication of this notice in the **Federal Register**.
