### Eastern Greene Township Rural Historic District; Determination of Eligibility for the National Register of Historic Places

**ACTION:** Request for comments.

On February 24, 1995, the Eastern Greene Township Rural Historic District, Franklin County, Pennsylvania was determined eligible for the National Register of Historic Places for its historic and architectural importance, following a request from the Federal Highway Administration. The district consists of a landscape farmed continuously since the eighteenth century and reflects the agricultural patterns of the rich Cumberland Valley. Important features found in the district include intact farmsteads, with their significant collection of barns, farmhouses and outbuildings, the field patterns, fencerows, family cemeteries, and the network of the historic farm roads. The finding of eligibility was based upon review of documentation submitted by the Federal Highway Administration, the Pennsylvania Historical and Museum Commission, and Greene Township. All agreed that the historic district is eligible for the National Register of Historic Places.

Since the determination of eligibility was issued, the National Park Service has received a request that the boundary of the district be redrawn to exclude lands located within the Borough of Chambersburg, based upon a claimed loss of historic integrity of the area. Documentation relative to the historic integrity of this portion of the district was submitted to the National Register. Copies of this documentation are available from the National Register at the address below. In order to accommodate those who wish to provide new information concerning the boundary of the Eastern Greene Township Rural Historic District, the National Park Service is providing a 60 day comment period. A written statement on the determination of eligibility will be issued by the National Park Service within 30 days of the close of the comment period.

The determination of eligibility remains in effect pending review of responses submitted during the comment period. In order to revise the boundary the National Park Service must receive authoritative information, which evaluated in conjunction with documentation already on file, results in a finding that the determined eligible boundary does not accurately delineate the historic district in accordance with established National Register standards.

Comments should be addressed to the National Register of Historic Places, National Park Service, P.O. Box 37127, Washington, D.C. 20013-7127.

**INTERNATIONAL TRADE COMMISSION****Certain Agricultural Tractors Under 50 Power; Take-off Horsepower; Notice of Commission Determination to Review in Part an Initial Determination; Schedule for the Filing of Written Submissions on the Issue Under Review, and on Remedy, the Public Interest, and Bonding**

**Investigation No. 337-TA-380**

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the U.S. International Trade Commission had determined to review in part the initial determination (ID) issued by the presiding administrative law judge (ALJ) on November 22, 1996, in the above-captioned investigation.

**FOR FURTHER INFORMATION CONTACT:**

Shara L. Aranoff, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-3090.

**SUPPLEMENTARY INFORMATION:** This trademark-based section 337 investigation was instituted by the Commission on February 14, 1996, based on a complaint filed by Kubota Tractor Corporation ("KTC"), Kubota Manufacturing of America ("KMA"), and Kubota Corporation ("KBT") (collectively "complainants"). Complainants alleged unfair acts in violation of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation, sale for importation, and/or the sale within the United States after importation of certain agricultural tractors under 50 power take-off horsepower, by reason of infringement of complainants' four registered trademarks, U.S. Reg. Nos. 922,330 ("KUBOTA" in block letters), 1,775,620 ("KUBOTA" stylized), 1,028,221 (Gear Design), and 1,874,414 (stylized "K"). The Commission's notice of investigation named Eisho World Ltd., Nitto Trading Corporation, Nitto Trading Co. Ltd., Sanko Industries Co., Ltd., Sonica Trading, Inc., Suma Sangyo, Toyo Service Co., Ltd., Bay Implement Company, Casteel Farm Implement Co. of Monticello, Arkansas, Casteel Farm Implement Co. of Pine

Bluff, Arkansas, Casteel World Group, Inc., Gamut Trading Co., Gamut Imports, Lost Creek Tractor Sales, MGA, Inc. Auctioneers, Tom Yarbrough Equipment Rental and Sales, Inc., The Tractor Shop, Tractor Company, Wallace International Trading Co. and Wallace Import Marketing Co. Inc. as respondents. 61 Fed. Reg. 6802 (Feb. 22, 1996).

On June 19, 1996, the notice of investigation was amended to add Fujisawa Trading Company as a respondent. On May 29, 1996, the Commission determined not to review an ID (Order No. 13) finding respondents Tractor Company, Sonica Trading, and Toyo Service in default pursuant to Commission rule 210.16, and ruling that they had waived their respective rights to appear, to be served with documents, and to contest the allegations at issue in the investigation. On September 25, 1996, the Commission issued a consent order terminating the investigation as to respondent Nitto Trading Corporation. On September 30, 1996, the Commission issued a consent order terminating the investigation as to respondent Yarbrough Equipment Rental and Sales Inc.

On August 21, 1996, the Commission determined not to review an ID (Order No. 40), granting complainants' motion for summary determination that complainants' four trademarks are valid and that the "KUBOTA" (block letters) and Gear Design marks are incontestable. On September 6, 1996, the Commission determined not to review an ID (Order No. 47), granting complainants' motion for summary determination that a domestic industry exists with respect to the "KUBOTA" (block letters) and "KUBOTA" (stylized) trademarks.

The ALJ held an evidentiary hearing on the merits between August 29 and September 7, 1996, and heard closing arguments on October 24, 1996. The ALJ issued his final ID finding a violation of section 337 on November 22, 1996. He found that there had been imports of the accused products; that 24 specific models of the accused tractors infringed the "KUBOTA" (block letters) trademark (U.S. Reg. No. 922,330); that one model of the accused tractors, the KBT L200, did not infringe the "KUBOTA" (block letters) trademark; that the accused products did not infringe the "KUBOTA" (stylized) trademark (U.S. Reg. No. 1,775,620); and that complainants were no longer asserting violations of section 337 based on infringement of the stylized "K" and "Gear Design" trademarks.
