

Bulletin Board (EBB)), Section 6 (Capacity Release and Assignment), Section 8 (Creditworthiness), Section 10 (Use of Receipt and Delivery Points), Section 11 (Operating Provisions for Transportation and Storage Service), Section 12.3 (Monthly Balancing), Section 14 (Measurement) and Section 18 (Billing and Payment).

Questar states that it has added a new Section 29 (GISB Standards) to Part 1 of the General Terms and Conditions. Sections 9.3 and 10.3 (Commencement of Service) of the General Terms and Conditions of Parts 2 and 3, respectively, of Questar's tariff have also been revised.

Questar states that a copy of this filing has been served upon its customers, the Public Service Commission of Utah and the Wyoming Public Service Commission.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules of Practice and Procedure. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

Texas Gas Transmission Corporation; Notice of Filing of Tariff Sheets

April 22, 1997.

Take notice that on April 16, 1997, Texas Gas Transmission Corporation (Texas Gas) tendered for filing, as part of its FERC Gas Tariff, First Revised Volume No. 1 the tariff sheets listed on Appendix A to the filing.

Texas Gas states that the instant filing is being made pursuant to Section 4 of the National Gas Act to modify Texas Gas's existing Form of Electronic Bulletin Board (EBB) Agreement in its tariff. The filing is a companion filing to Texas Gas's April 1, 1997 Order No. 587 compliance filing in Docket No. RP97-

183 to implement the business standards issued by the Gas Industry Standards Board (GISB). Specifically, the modifications to the EBB and changes to the EBB Agreement will provide enhanced security for EBB access and interaction and will help make the EBB more user friendly as Texas Gas and its customers adapt to the GISB requirements. Texas Gas requests that the revised tariff sheets become effective June 1, 1997, which corresponds with the effective date of Texas Gas' implementation of the GISB Order No. 587 standards pursuant to Texas Gas Docket No. RP97-183.

Texas Gas states that copies of the tariff sheets are being served upon Texas Gas's jurisdictional customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests should be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party to the proceeding must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Texas Gas Transmission Corporation; Notice of Filing of Tariff Sheets

April 22, 1997.

Take notice that on April 17, 1997, Texas Gas Transmission Corporation (Texas Gas) tendered for filing, as part of its FERC Gas Tariff, First Revised Volume No. 1, the tariff sheets listed on Appendix A to the filing, with an effective date of June 1, 1997.

Texas Gas states that the instant filing is being made pursuant to Section 4 of the Natural Gas Act to incorporate into its tariff a new pro forma Electronic Data Interchange (EDI) Trading Partner

Agreement. Such agreement will help facilitate compliance with the GISB electronic communication requirements. Texas Gas requests that the revised tariff sheets become effective June 1, 1997, which corresponds with the effective date of Texas Gas' implementation of the GISB Order No. 587 standards pursuant to Texas Gas Docket No. RP97-183.

In the instant filing, Texas Gas also requests a three-month waiver from June 1 to September 1, 1997, to fully complete its EDI electronic delivery mechanism strategy. The waiver request applies solely to use of the Internet electronic delivery mechanism for EDI and the granting of such waiver will not have a significant effect on its customers. Texas Gas otherwise anticipates being in full compliance with Order No. 587 and the effective GISB standards on June 1, 1997.

Texas Gas states that copies of the tariff sheets are being served upon Texas Gas' jurisdictional customers and interested state commissions, and all parties on the official service list in Docket No. RP97-183.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.211 and 385.214 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Transcontinental Gas Pipe Line Corporation; Notice of Application

April 22, 1997.

Take notice that on April 9, 1997, Transcontinental Gas Pipe Line Corporation (Transco), Post Office Box

1396, Houston, Texas 77251, filed in Docket No. CP97-331-000, an abbreviated application pursuant to Section 7(c) of the Natural Gas Act, for a certificate of public convenience and necessity authorizing Transco's 1998 Cherokee Expansion Project, an expansion of Transco's pipeline system to provide 87,070 dekatherms per day of new firm incremental transportation capacity for two shippers, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

Transco proposes to construct and operate the following facilities to create the firm transportation capacity for the Cherokee Expansion:

1. 11.22 miles of 48-inch pipeline loop from milepost 826.30 to milepost 837.52 on Transco's mainline in Marengo County, Alabama;

2. A new 15,000 HP compressor station, located at milepost 1007.65 on Transco's mainline in Coweta County, Georgia;

3. A new 8,000 HP compressor at Station 125, including a separate compressor building and an electrical substation, in Walton County, Georgia;

4. Uprate of Transco's existing "Georgia Extension," consisting of approximately 27 miles of 16-inch pipeline in Walton and Gwinnett Counties, Georgia, from 780 psig to 960 psig; and

5. Other appurtenant facilities.

Transco also seeks authorization to abandon in place a 0.13 mile segment of the Georgia Extension, from milepost 26.96 to milepost 27.09. Transco states that after installation of the facilities proposed herein, the segment of pipe will no longer be needed. Transco estimates that the proposed facilities will cost \$68,000,000.

Any person desiring to be heard or to make any protest with reference to said application should on or before May 13, 1997, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to

the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedures herein provided for, unless otherwise advised, it will be unnecessary for Transco to appear or be represented at the hearing.
