#### Arkansas Western Pipeline Company; Notice of Petition of Arkansas Western Pipeline Company for One-Year Waiver of or Exemption From GISB Standard 4.3.6

May 5, 1997.

Take notice that on May 1, 1997, Arkansas Western Pipeline Company (AWP), filed a petition pursuant to Rule 207 of the Commission's Rules of Practice and Procedure for waiver or exemption of the requirements concerning the establishment of a HTML page accessible via the Internet's World Wide Web, as more fully set forth in the petition of file with the Commission and open to public inspection.

AWP states that the establishment of a HTML page is not necessary on the AWP system in order to achieve the Commission's goals. Any person desiring to be heard or to protest this petition should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations.
