[Docket No. GT97-25-000]

Williston Basin Interstate Pipeline Company; Notice of Proposed Changes in FERC Gas Tariff

May 5, 1997.

Take notice that on May 1, 1997, Williston Basin Interstate Pipeline Company (Williston Basin), tendered for filing as part of its FERC Gas Tariff, Second Revised Volume No. 1, the revised tariff sheets listed on the filing, to become effective June 1, 1997.

Williston Basin states that the revised tariff sheets are being filed to update its Master Receipt/Delivery Point List as a result of a recent review of such list. Williston Basin states it is proposing to delete all of the gathering/production receipt points currently included in the master list in order to reduce the number of tariff filings caused by

additions and deletions of such non-jurisdictional gathering/production receipt points. Williston Basin states it will continue to maintain its Master Receipt/Delivery Point List on its EBB and in addition the EBB will include an updated list of all the gathering/production receipt points proposed to be deleted from such list.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

Notice of Application Filed With the Commission

May 5, 1997.

Take notice that the following hydroelectric application has been filed with the Commission and is available for public inspection:

a. *Type of Application:* Amendment of License.

b. *Project No.:* 2142-025.

c. *Date filed:* December 30, 1996.

d. *Applicant:* Central Maine Power.

e. *Name of Project:* Indian Pond.

f. *Location:* The project is located on the Kennebec River, in Somerset and Piscataquis Counties, Maine.

g. *Filed pursuant to:* Federal Power Act, 16 U.S.C. § 791(a)-825(r).

h. *Applicant Contact:* William Campbell, Central Maine Power, 83 Edison Drive, Augusta, ME 04336, Phone: (207) 621-4493.

i. *FERC Contact:* Jake H. Tung, (202) 219-2663.

j. *Comment Date:* June 12, 1997.

k. *Description of Amendment:* The licensee, Central Maine Power, applied for an amendment of license to remove all long-term leased lands from the Indian Pond Project. The redrawn project boundary removes the existing long-term leases from the project and allows continued shoreline erosion control by maintaining at least 50 feet of the project land on the shore side of the leased lands.

1. This notice also consists of the following standard paragraphs; B, C1, and D2.

B. Comments, Protests, or Motions to Intervene—Anyone may submit

comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

C1. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "RECOMMENDATIONS FOR TERMS AND CONDITIONS", "PROTEST", OR "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: the Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

D2. Agency Comments—Federal, state, and local agencies are invite to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

i. *FERC Contact:* Robert Grieve, (202) 219-2655.

j. *Comment Date:* June 16, 1997.

k. *Description of Application:* By order issued October 22, 1992, the Commission incorporated provisions of the Kennebec Hydro Developers Group (KHDG) agreement into the licenses for six licensed projects (Project Nos. 2322, 2325, 2552, 2574, 5073, and 2611). The order set the dates for filing of fish passage drawings (1997-1999) and construction of fish passage facilities (1999-2001). For Project No. 11472, an existing unlicensed project, the applicant has proposed in its application for license to provide downstream fish passage within 2 years of licensing and upstream passage within 2 years of licensing or by the year 2000, whichever is later, in accordance with the KHDG agreement.

KHDG applicants request: (1) amendment of the existing licenses to require that fish passage facilities be installed only when (a) either permanent fish passage is available at the Edwards Dam Project No. 2389 or that dam is removed, and (b) a biological assessment process determines that restoration efforts have advanced sufficiently to require fish passage; (2) an extension of time for Project Nos. 2552, 5073, 2574, and 2611 to file functional design drawings, now due April 30, 1997, until it has been determined through an assessment process that permanent fish passage facilities are necessary; (3) a stay of the requirement to file said drawings by April 30, 1997; (4) revision of Commission staff's recommendations in the Kennebec River Basin Draft Environmental Impact Statement that
