SUPPLEMENTARY INFORMATION: The initial agenda was published on June 11, 1997 (62 FR 31792). The following revisions are to be made:

The Council has approved an emergency change to the salmon agenda of its June meeting. The salmon agenda is scheduled to occur on the afternoon of June 23, 1997, at the Red Lion Hotel Seattle Airport (now known as Doubletree), see **ADDRESSES**.

Current Agenda Item C.1., Statement of the Council Chair Concerning the 1997 Salmon Management Process, will be modified as follows:

C. Salmon Management

1. Review and Consideration of Estimation Issues Affecting the Season Structure and Resulting Allocation of the 1997 Commercial Salmon Fisheries off California and Oregon

a. Statement of Chair concerning 1997 Preseason Process

b. Summary of Estimation and Season Structure Issues Raised by Pacific Coast Federation of Fishermen's Associations

c. Comments of the Salmon Advisory Subpanel, Salmon Technical Team, and Scientific and Statistical Committee

d. Public Comments

e. Council - ACTION (if necessary to correct season structure)

This emergency change to the Council agenda responds to concerns raised by California commercial fishery representatives with regard to the estimation and subsequent allocation of Klamath and Snake River fall chinook harvest impacts in the 1997 commercial fishery. The change in Agenda item C.1., from a discussion to an action item, allows the potential for modifying the commercial salmon fisheries off Oregon and California by emergency rule, if deemed necessary as a result of the Council's review in this matter. The potential changes in the commercial season proposed by the California representatives include reductions in closures south of Point San Pedro, along with possible minimum size limit increases, and offsetting closures in the commercial fisheries off Oregon, most likely in the area south of Cape Arago.

All other information previously published remains unchanged.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Eric W. Greene at (503) 326–6352 at least 5 days prior to the meeting date.
