SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0565.

Title: Section 76.944 Commission review of franchising authority decisions on rates for the basic service tier and associated equipment.

Type of Review: Extension of existing collection.

Respondents: Business or other for-profit; state and local governments.

Number of Respondents: 300. (150 cable operators+150 LFAs).

Estimated Time Per Response: 2-30 hours.

Total Annual Burden: 5,400 hours estimated as follows: We estimate that approximately 150 appeals are filed annually. For all aspects of the filing process (including appeals, oppositions and replies), we estimate that cable operators spend an average of 30 hours on each filing and that local franchising authorities spend an average of 20 hours on each filing. We estimate that cable operators will use in-house legal staff to file requests for appeals approximately 50% of the time, therefore using outside legal assistance 50% of the time. When using outside legal assistance, operators are estimated to undergo a burden of 2 hours per filing to coordinate information with the outside legal assistance. 75 cable operators×30 hours for in-house filings=2,250. 75 cable operators×2 hours for filings done by outside legal assistance=150. 150 LFAs×20 hours for each filing=3,000. Total burden=2,250+150+3,000=5,400 hours.

Cost to Respondents: We estimate the postage and stationery costs incurred by parties for appeal case to be \$10 per party (\$20 per case). 150×\$20=\$3,000. We estimate that cable operators contracting out legal assistance will pay \$150 per hour for the assistance. 75 cable operators paying outside legal
