Foreign-Trade Zones Board

[Order No. 913]

Grant of Authority for Subzone Status Unifi, Inc. (Polyester Yarn), Yadkinville, North Carolina

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, by an Act of Congress approved June 18, 1934, an Act "To provide for the establishment * * * of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes," as amended (19 U.S.C. 81a-81u) (the FTZ Act), the Foreign-Trade Zones Board (the Board) is authorized to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the Board's regulations (15 CFR Part 400) provide for the establishment of special-purpose subzones when existing zone facilities cannot serve the specific use involved;

Whereas, an application from the North Carolina Department of Commerce, grantee of Foreign-Trade Zone 66, for authority to establish special-purpose subzone status for the polyester yarn manufacturing plant of Unifi, Inc., in Yadkinville, North Carolina, was filed by the Board on April 10, 1997, and notice inviting public comment was given in the **Federal Register** (FTZ Docket 28-97, 62 FR 19546, 4-22-97); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the

requirements of the FTZ Act and Board's regulations are satisfied, and that approval of the application is in the public interest;

Now, therefore, the Board hereby grants authority for subzone status at the Unifi, Inc., plant in Yadkinville, North Carolina (Subzone 66C), at the location described in the application, subject to the FTZ Act and the Board's regulations, including § 400.28.

SUPPLEMENTARY INFORMATION:

Background

On November 1, 1996, the CIT in *FAG U.K. et al. v. United States*, Slip Op. 96-177, remanded the final results to the Department to: (1) Utilize the tax-neutral methodology for adjusting for value-added taxes (VAT) approved by the United States Court of Appeals for the Federal Circuit (CAFC) in *Federal-Mogul Corp. v. United States*, 63 F.3d 1572 (Fed. Cir. 1995) (see final redetermination); (2) correct the computer program so that the insurance values reported in dollars are not further converted; (3) correct the computer program so that the VAT is only applied to the HEDGE value once; and (4) correct a clerical error with respect to FAG-Barden's U.S. sales. The Department complied with the CIT's order and, on February 14, 1997, submitted the final remand results to the CIT.

The recalculated, weighted-average percentage dumping margins for NSK-RHP and FAG-Barden during the period May 1, 1992, through April 30, 1993, for ball bearings (BBs) and cylindrical roller bearings (CRBs) were as follows:

Company	The United Kingdom	
	BBs	CRBs
NSK-RHP	14.49	20.03
FAG-Barden	4.65	8.22

On June 18, 1997, in *FAG U.K.*, the CIT affirmed the Department's final remand results and entered final judgment on all issues.

In its decision in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the CAFC held that, pursuant to 19 U.S.C. 1516a(e), the Department must publish a notice of a court decision which is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's decision on June 18, 1997, constitutes a decision not in harmony with the Department's final results. Publication of this notice fulfills this obligation.

Pursuant to the decision in *Timken*, the Department must continue the

suspension of liquidation of the subject merchandise pending the latter of the expiration of the period for appeal or the conclusion of any appeal. Further, absent an appeal or, if appealed, upon a "conclusive" court decision affirming the CIT's opinion, the Department will amend the final results of the fourth administrative review of the antidumping duty order on antifriction bearings (other than tapered roller bearings) and parts thereof from the United Kingdom to reflect the amended margins of the Department's final remand results, which were affirmed by the CIT.
