CNG Transmission Corporation; Notice of Section 4 Filing

August 14, 1997.

Take notice that on May 5, 1995, CNG Transmission Corporation (CNG) tendered for filing pursuant to Section 4 of the Natural Gas Act, a notice of termination of gathering service on line H-21754 which line is located in McDowell County, West Virginia.

CNG states that it will abandon line H-21754 by sale to Classic Oil & Gas Resources, Inc. CNG further states that no contract for transportation service with CNG will be canceled or terminated as a result of the proposed abandonment of service.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C., 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. All such motions or protests should be filed on or before August 18, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

Duquesne Light Company; Notice of Filing

August 14, 1997.

Take notice that on July 24, 1997, Duquesne Light Company (DLC) filed a Service Agreement dated July 8, 1997 with NorAm Energy Services, Inc., under DLC's Open Access Transmission Tariff (Tariff). The Service Agreement adds NorAm Energy Services, Inc. as a customer under the Tariff. DLC requests an effective date of July 8, 1997 for the Service Agreement.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before August 26, 1997. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any party wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. CP97-692-000]

El Paso Natural Gas Company; Notice of Request Under Blanket Authorization

August 14, 1997.

Take notice that on August 11, 1997, El Paso Natural Gas Company (El Paso), P.O. Box 1492, El Paso, Texas 79978, filed in Docket No. CP97-692-000 a request pursuant to Sections 157.205 and 157.212 of Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to construct and operate a delivery point, located in Hutchinson County, Texas, to permit the firm transportation and delivery of natural gas to Southern Union Gas Company (Southern Union), under El Paso's certificate issued in Docket No. CP82-435-000, pursuant to Section 7(c) of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

El Paso proposes to construct and operate the Buena Vista Meter Station, consisting of two 2-inch tap and valve assemblies, one 1-inch O.D. Daniels mini-turbine, all with appurtenances, to be located in Section 25, Arnold & Barrett, Block Y, Hutchinson County, Texas. El Paso states the proposed quantity of natural gas to be transported on a firm basis to the Buena Vista Meter Station is estimated to be 165,345 Mcf annually, or an average of 453 Mcf per

day. El Paso asserts that it has sufficient capacity to accomplish the deliveries of the requested gas volumes without detriment or disadvantage to El Paso's other customers. El Paso declares the gas will be used by Southern Union to satisfy the residential and residential space heating requirements of its customers in the area.

El Paso states that Southern Union will reimburse them for the costs related to the construction of the proposed delivery point, estimated to be \$45,200, including respective overhead and contingency fees.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

National Fuel Gas Supply Corporation; Notice of Proposed Changes to FERC Gas Tariff

August 14, 1997.

Take notice that on August 11, 1997, National Fuel Gas Supply Corporation (National Fuel) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, and Fourth Revised Volume No. 1, the revised tariff sheets listed on Appendix A to the filing, to be effective October 31, 1997.

National Fuel states that the purpose of the filing is to add provisions to the General Terms and Conditions and to the ESS, FSS and ISS Rate Schedules to allow Shippers under those Rate Schedules to transfer Storage Balance to each other, under the conditions described therein, including payment by the Receiving Shipper and Transferring

Shipper of administrative charge equal to a posted rate between a maximum of \$94.1048 per Customer Nomination and a minimum rate of zero.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules of Practice and Procedure. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection.

[Docket No. RP97-429-001]

Ozark Gas Transmission System; Notice of Amendment to Tariff Filing

August 14, 1997.

Take notice that on August 11, 1997, Ozark Gas Transmission System (Ozark) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, First Revised Sheet No. 141 and Original Sheet No. 141A, to become effective September 15, 1997. Ozark submitted these sheets as part of a filing amending a July 25, 1997 filing submitted in the above captioned docket.

Ozark states that the revised tariff sheets implement an open tap policy for deliveries out of its system under Ozark's interruptible transportation service Rate Schedule ITS. Ozark states that it filed on July 25, 1997, proposing this open tap policy for its firm transportation service Rate Schedule FTS and that, as a result of requests from its customers, it is proposing herein to provide a similar policy for its service under Rate Schedule ITS. Ozark states that it will install promptly, metering and interconnection facilities in those instances when new facilities are necessary to accommodate the delivery of gas under its ITS Rate Schedule out of its system for delivery to a Local Distribution Company, municipality, electric utility, Independent Power Producer or direct

end user, if the Shipper agrees to reimburse Ozark for the costs incurred for such installation. Ozark also states that it may agree to pay all or a portion of such costs based on whether the facilities will be economically beneficial.

Any person desiring to protest this filing should file a protest with the Federal Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken but will not serve to make the Protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
