

or forest products authorized by regulations at 36 CFR 223.5 through 223.13 and that permittees comply with the regulations and terms of the permit.

Individuals usually request permits in person at the Forest Service office issuing the permit. Forest Service personnel ask applicants to respond to questions that include their name, address, and identification number. The identification number can be a tax identification number, social security number, drivers license number, or other unique number identifying the applicant. Forest Service personnel enter the information onto the computerized permit database for easy retrieval for subsequent requests for permits by the same individual. The information also is entered onto a hard copy of a permit. The applicant signs and dates the permit. Forest Service personnel issuing the permit discuss the terms and conditions of the permit with the applicant. Permittees may be required to maintain a product removal record on the permit form.

Data gathered in this information collection are not available from other sources.

*Estimate of Burden:* 8 minutes.

*Type of Respondents:* Individuals.

*Estimated Number of Respondents:* 24,000.

*Estimated Number of Responses per Respondent:* 1.

*Estimated Total Annual Burden on Respondents:* 1,195 hours.

#### **Description of Information Collection**

The following describes a new information collection that will be combined with FS-2400-8—Forest Products Free Use Permit (OMB Number 0596-0095):

*Title:* FS-2400-4—Forest Products Sale Permit and Cash Receipt.

*OMB Number:* New.

*Expiration Date of Approval:* New.

*Type of Request:* The following describes a new collection requirement and has not received approval by the Office of Management and Budget.

*Abstract:* The agency will use the collected data to ensure that applicants, seeking to remove timber or forest products from National Forest System lands, meet the criteria under which sale of timber or forest products is authorized by the regulations at 36 CFR 223.88 and to ensure that permittees comply with regulations and terms of the permit at 36 CFR 261.6.

Individuals and persons representing small businesses usually request permits in person in the Forest Service office issuing the permit. Forest Service personnel will ask applicants to respond to questions that include their name,

address, and tax identification number. Forest Service personnel will enter the information onto the computerized permit database, where the information will be maintained for easy retrieval for subsequent requests for permits by the same individual. The information also will be entered onto a hard copy of a permit. The applicant will sign and date the permit. Forest Service personnel issuing the permit will discuss the terms and conditions of the permit with the applicant.

Data gathered in this information collection are not available from other sources.

*Estimate of Burden:* 8 minutes.

*Type of Respondents:* Individuals and small businesses.

*Estimated Number of Respondents:* 2500.

*Estimated Number of Responses per Respondent:* 1.5.

*Estimated Total Annual Burden on Respondents:* 190 hours.

#### **Description of Information Collection**

The following describes a new information collection that will be combined with FS-2400-8—Forest Products Free Use Permit (OMB Number 0596-0095):

*Title:* FS-2400-1—Forest Products Removal Permit and Cash Receipt.

*OMB Number:* New.

*Expiration Date of Approval:* New.

*Type of Request:* The following describes a new collection and has not received approval from the Office of Management and Budget.

*Abstract:* The agency will use the collected data to ensure that applicants meet the criteria under which the sale of timber or forest products is authorized by the regulations at 36 CFR 223.88 and to ensure that permittees comply with regulations and terms of the permit at 36 CFR 261.6.

Individuals and persons representing small businesses usually request permits in person in the Forest Service office issuing the permit. The information collected includes the applicant's name, address, and identification number. The identification number can be a tax identification number, social security number, drivers license number, or other unique number identifying the applicant. Forest Service personnel will enter the information onto the computerized permit database, where the information will be maintained for easy retrieval for subsequent permits issued to the same individual. The information also will be entered onto a hard copy of a permit. The applicant will sign and date the permit. Forest Service personnel issuing the permit

will discuss the terms and conditions of the permit with the applicant. Permittees may be required to maintain a product removal record on the permit form.

Data gathered in this information collection is not available from other sources.

*Estimate of Burden:* 8 minutes.

*Type of Respondents:* Individuals.

*Estimated Number of Respondents:* 846,000.

*Estimated Number of Responses per Respondent:* 1.5.

*Estimated Total Annual Burden on Respondents:* 39,940 hours.

#### **Comments Are Invited**

The agency invites comments on the following: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

#### **Use of Comments**

All comments received in response to this notice will be summarized and included in the request for OMB approval. All comments, including name and address when provided, will become a matter of public record.

Dated: August 15, 1997.

## DEPARTMENT OF COMMERCE

### International Trade Administration

[C-549-401]

### Certain Apparel From Thailand: Preliminary Results of Countervailing Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of preliminary results of countervailing duty administrative review.

**SUMMARY:** The Department of Commerce (the Department) is conducting an administrative review of the

countervailing duty (CVD) order on certain apparel from Thailand. We preliminarily determine the net bounty or grant to be that described in the "Preliminary Results of Review" section. If the final results remain the same as these preliminary results of administrative review, we will instruct the U.S. Customs Service to assess countervailing duties as indicated above. Interested parties are invited to comment on these preliminary results.

**EFFECTIVE DATE:** September 3, 1997.

#### FOR FURTHER INFORMATION CONTACT:

Robert Copyak or Kathleen Lockard, Office of CVD/AD Enforcement VI, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-2786.

#### SUPPLEMENTARY INFORMATION:

##### Background

On March 12, 1985, the Department published the *Final Affirmative Countervailing Duty Determination and Countervailing Duty Order; Certain Apparel from Thailand* (50 FR 9819) (*Certain Apparel*). On March 13, 1992, the Department published a *Notice of Intent to Revoke Countervailing Duty Orders* (57 FR 8860). We received a timely objection to the Department's intended revocation and a request for an administrative review of the review period January 1, 1991, through December 31, 1991, from the Amalgamated Clothing and Textile Workers Union (ACTWU). The review was initiated on April 13, 1992. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews* (57 FR 12797).

Subsequently, the Royal Thai Government (RTG) filed comments on the ACTWU's objection to the revocation of the order, claiming that the ACTWU lacked standing under 19 U.S.C. § 1677(9)(D) to object to revocation on a number of the like products covered by the CVD order.<sup>1</sup> On July 19, 1996, the Department preliminarily determined that the ACTWU had standing for 57 of the 87

<sup>1</sup> On May 26, 1995, the Department published *Opportunity to Request a Section 753 Injury Investigation* (60 FR 27693). Because no domestic interested parties exercised their right under section 753(a) of the Act, as amended by the Uruguay Round Agreements Act ("URAA"), to request an injury investigation, the International Trade Commission made a negative injury determination with respect to this order, pursuant to section 753(b)(4) of the Act. As a result, the Department revoked this countervailing duty order, effective January 1, 1995, pursuant to section 753(b)(3)(B) of the Act. See *Revocation of Countervailing Duty Orders* (60 FR 40568, August 9, 1995).
