

Parties to this proceeding may request disclosure within five days of publication of this notice and any interested party may request a hearing within 10 days of publication. Any hearing, if requested, will be held 44 days after the date of publication, or the first working day thereafter. Interested parties may submit case briefs and/or written comments no later than 30 days after the date of publication. Rebuttal briefs and rebuttals to written comments, limited to issues raised in such briefs or comments, may be filed no later than 37 days after the date of publication of this notice. Cash Deposit

The following deposit requirements will be effective upon completion of the final results of this administrative review for all shipments of cut-to-length carbon steel plate from Belgium entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a) of the Act: (1) The cash deposit rate for the reviewed company will be the rate established in the final results of this administrative review; (2) for exporters not covered in this review, but covered in the LTFV investigation, the cash deposit rate will continue to be the company-specific rate published from the LTFV investigation; (3) if the exporter is not a firm covered in this review, or the original LTFV, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 6.84 percent, the "all others" rate made effective by the LTFV investigation. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR § 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. § 1675(a)(1)) and 19 CFR § 353.22.

Dated: September 2, 1997.

Robert S. LaRussa,
Assistant Secretary for Import
Administration.

Notice of Amendment to Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Freshwater Crawfish Tail Meat From the People's Republic of China

AGENCY: International Trade Administration, Import Administration, Department of Commerce

EFFECTIVE DATE: (September 15, 1997.)

FOR FURTHER INFORMATION CONTACT: Elisabeth Urfer, Rebecca Trainor, or Maureen Flannery, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230; telephone: (202) 482-0780, (202) 482-0666, or (202) 482-3020, respectively.

Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations as codified at 19 CFR Part 353 (April 1, 1997).

Case History and Amendment of the Final Determination

On August 1, 1997, the Department of Commerce (the Department) published in the **Federal Register** (62 FR 41347) the final determination of its sales-at-less-than-fair-value (LTFV) investigation of freshwater crawfish tail meat (crawfish tail meat) from the People's Republic of China (PRC). The investigation covered the period March 1, 1996 through August 31, 1996. We are amending the final determination to correct ministerial errors made in the list of exporters receiving weighted-average dumping margins. In the final determination, we inadvertently included Anhui Cereals, Oils and Foodstuffs Import and Export

Corporation (Anhui) in the list of exporters receiving weighted-average dumping margins. In the investigation we had determined that Anhui had no shipments of subject merchandise during the POI, and therefore should receive the China-Wide rate. In addition, in the final determination, we inadvertently excluded Huaiyin Ningtai Fisheries Co., Ltd. (Huayin Ningtai) from the list of exporters receiving weighted-average dumping margins, even though Huayin Ningtai had participated in this proceeding and is entitled to the rate for participating, non-selected respondents. The corrected list of manufacturers/exporters receiving weighted-average dumping margins is in the "Antidumping Duty Order" section below. We are publishing this amendment to the final determination in accordance with 19 CFR 353.28(c).

Scope of the Order

The product covered by this investigation and order is freshwater crawfish tail meat, in all its forms (whether washed or with fat on, whether purged or unpurged), grades, and sizes; whether frozen, fresh, or chilled; and regardless of how it is packed, preserved, or prepared. Excluded from the scope of the investigation and order are live crawfish and other whole crawfish, whether boiled, frozen, fresh, or chilled. Also excluded are saltwater crawfish of any type, and parts thereof. Freshwater crawfish tail meat is currently classifiable in the Harmonized Tariff Schedule of the United States (HTS) under item numbers 0306.19.00.10 and 0306.29.00.00. The HTS subheadings are provided for convenience and Customs purposes only. The written description of the scope of this proceeding is dispositive.

Antidumping Duty Order

On September 8, 1997, in accordance with section 735(d) of the Act, the U.S. International Trade Commission (ITC) notified the Department that a U.S. industry is materially injured by reason of imports of crawfish tail meat from the PRC, pursuant to section 735(b)(1)(A) of the Act. Therefore, in accordance with section 736(a)(1) of the Act, the Department will direct the United States Customs Service to assess, upon further advice by the Department, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price of the merchandise for all relevant entries of crawfish tail meat from the PRC. These antidumping duties will be assessed on all unliquidated entries of crawfish tail meat from the PRC entered, or

withdrawn from warehouse, for consumption on or after March 26, 1997, the date on which the Department published its preliminary determination notice in the **Federal Register** (62 FR 14392).

On or after the date of publication of this notice in the **Federal Register**, U.S. Customs officers must require, at the same time as importers would normally deposit estimated duties, the cash deposits listed below for the subject merchandise. The "China-wide" rate applies to all exporters of crawfish tail meat not specifically listed below.

The ad valorem weighted-average dumping margins are as follows:

Manufacturer/producer/exporter	Weight-average margin percentage
China Everbright Trading Company	156.77
Binzhou Prefecture Foodstuffs Import & Export Corp.	119.39
Huaiyin Foreign Trade Corp.	91.50
Yancheng Foreign Trade Corp.	108.05
Jiangsu Cereals, Oils & Foodstuffs Import & Export Corp.	1 122.92
Yancheng Baolong Aquatic Foods Co., Ltd.	1 122.92
Huaiyin Ningtai Fisheries Co., Ltd.	1 122.92
Nantong Delu Aquatic Food Co., Ltd.	1 122.92
China-wide Rate	201.63

¹ Rate is based on the weighted-average of calculated rates that are not zero or based on facts available.

This notice constitutes the antidumping duty order with respect to crawfish tail meat from the PRC, pursuant to section 736(a) of the Act. Interested parties may contact the Central Records Unit, Room B-099 of the Main Commerce Building, for copies of an updated list of antidumping duty orders currently in effect.

This order is published in accordance with section 736(a) of the Act and 19 CFR 353.21.

Dated: September 10, 1997.

Jeffrey P. Bialos,

Acting Assistant Secretary for Import Administration.
