BILLING CODE 4310–94–M

DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services; Agency Information Collection Activities: Request Emergency Extension of Existing Collection; Comment Request

ACTION: Notice of information collection under review; Revision of a currently

approved collection—Department annual report.

Approval for an emergency extension has been requested from the Office of Management and Budget (OMB) for the information collection listed below. The emergency extension has been requested for 60 days in order to allow the public 30 days to comment on the information collection and take corrective actions if required. The 60 day notice was previously published in the **Federal Register** on March 24, 1997.

Comments are encouraged and will be accepted until October 22, 1997. Written comments and/or suggestions regarding the items contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Office of Management and Budget, Office of Information and Regulatory Affairs, Attention: Department of Justice Desk Officer, Washington, DC 20530. Additionally, comments may be submitted to OMB via facsimile to 202–395–7285.

Written comments and suggestions from the public and affected agencies should address one of the following points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection technique other forms of information technology, e.g., permitting electronic submissions of responses.

Overview of this information collection:

(1) *Type of Information Collection:* Revision of a currently approved collection.

(2) *Title of the Form/Collection:* Department Annual Report

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form: COPS 1103–0031. Office of Community Oriented Policing Services, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief*

abstract: Primary: State, Local or Tribal Governments. Other: None.

The information collected is used to determine grantee progress on its COPS Hiring grant. Completion of such report is a condition of all COPS hiring programs. The COPS Office achieves the goals hiring of the crime bill by offering the Universal Hiring grant program. It is designed to assist with the implementation of community policing by providing funding for up to \$75,000 of the salaries and benefits of newly hired officers for a three year period. Throughout the grant period, law enforcement agencies are expected to plan, in good faith, to retain the funded positions through full local funding.

As the COPS Office's grants mature, it is important that it monitor the progress of this good faith planning for retention. Thus, the COPS Office has expanded its Department Annual Report by adding a question specific to retention planning. The remainder of the information collected under the previously approved¹ Department Annual Report will remain the same: questions aimed at collecting the minimum information necessary to monitor the progress of law enforcement agencies as successfully hiring their COPS funded officers and implementing community policing as they indicated they would in their grant application. With the anticipated OMB approval of the revised Department Annual Report, the COPS Office will retire its predecessor from dissemination to its grantees.

The information collected in the Department Annual Report will continue to be collected once per year so long as the law enforcement agency receives COPS program hiring monies. The Instruments will be mailed to the grantees with instructions and a sample completed Progress Report Document.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond: 10,000 responses; 1.3 hours per response. The information will be collected one time per year from each respondent.

(6) An estimate of the total public burden (in hours) associated with the collection: 38,000 annual burden hours.

If additional information is required contact: Mr. Robert B. Briggs, Clearance Officer, United States Department of Justice, Information Management and Security Staff, Justice Management Division, Suite 850, Washington Center, 1001 G Street, NW, Washington, DC 20530.

Dated: September 16, 1997.

Robert B. Briggs,

Department Clearance Officer, United States Department of Justice.

DEPARTMENT OF JUSTICE

Antitrust Division

Proposed Final Judgment and Competitive Impact Statement; United States v. Mid-America Dairymen, Inc., Southern Foods Group LP, and Milk Products LLC

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16 (b)-(h), that a proposed Final Judgment, Stipulation, and Competitive Impact Statement have been filed with the United States District Court for the Northern District of Texas in *United States v. Mid-America Dairymen, Inc., Southern Foods Group LP, and Milk Products, LLC*, Civil No. 3:97 CV 2162-P. The proposed Final Judgment is subject to approval by the Court after the expiration of the statutory 60-day public comment period and compliance with the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16 (b)-(h).

On September 3, 1997, the United States filed a Complaint seeking to enjoin a transaction in which Mid-America Dairymen, Inc. ("Mid-America") would acquire the voting stock of Borden/Meadow Gold Dairies Holdings, Inc. ("Borden/Meadow Gold"). Mid-America, through its affiliate Southern Food Group LP ("Southern Foods"), and Borden/Meadow Gold are two of the primary, and often the only, bidders to supply milk to school districts in Eastern Texas and Louisiana, and this transaction would have combined them to create a monopoly in many of those school districts. The Complaint alleged that the proposed acquisition would substantially lessen competition in providing milk to school districts in Eastern Texas and Louisiana in violation of Section 7 of the Clayton Act, 15 U.S.C. § 18.

The proposed Final Judgment orders Mid-America to sell the Texas, Louisiana and New Mexico assets to be acquired from Borden/Meadow Gold and, to the extent it sells them to a purchaser who has already agreed to buy them (Milk Products LLC), to limit the financing that Mid-America had agreed to provide to the purchaser. In the event Mid-America does not sell to that purchaser, it must divest the assets

to a purchaser who has the capability to compete effectively in the manufacture, sale and distribution of dairy products in New Mexico, Texas and Louisiana. A Competitive Impact Statement filed by the United States describes the Complaint, the proposed Final Judgment, and remedies available to private litigants.

The public is invited to comment within the statutory 60-day comment period. Written comments should be addressed to Roger W. Fones, Chief, Transportation, Energy and Agriculture Section, U.S. Department of Justice, Antitrust Division, 325 Seventh Street, N.W., Suite 500, Washington, D.C. 20530 (telephone: (202) 307-6351). Comments must be received within 60 days. Such comments, and the responses thereto, will be published in the **Federal Register** and filed with the Court.

Copies of the Complaint, Stipulation, proposed Final Judgment, and Competitive Impact Statement are available for inspection in Room 215 of the U.S. Department of Justice, Antitrust Division, 325 Seventh Street, N.W., Washington, D.C. 20530 (telephone: (202) 514-2481), and at the office of the Clerk of the United States District Court for the Northern District of Texas, 1100 Commerce Street, Dallas, Texas 75242. Copies of these materials may be obtained upon request and payment of a copying fee.

Constance K. Robinson,

Director of Operations, Antitrust Division.

Stipulation and Order

It is stipulated by and between the undersigned parties, through their respective attorneys, that:

1. The Court has jurisdiction over the subject matter of this action and over each of the parties hereto, and venue of this action is proper in the Northern District of Texas.

2. The parties consent that a Final Judgment in the form hereto attached may be filed and entered by the Court, upon the motion of any party or upon the Court's own motion, at any time after compliance with the requirements of the Antitrust Procedures and Penalties Act (15 U.S.C. § 16(b)-(h)), and without further notice to any party or other proceedings, provided that plaintiff United States has not withdrawn its consent, which it may do at any time before the entry of the proposed Final Judgment by serving notice thereof on defendants and by filing that notice with the Court.

3. The defendants shall abide by and comply with the provisions of the proposed Final Judgment pending entry
