COMMODITY FUTURES TRADING COMMISSION

Chicago Board of Trade Futures Contracts in Corn and Soybeans; Proposed Disapproval of Exchange Listing for Trading of January 1999 Soybean Futures Contract and March 1999 Corn Futures Contract

AGENCY: Commodity Futures Trading Commission.

ACTION: Notice of, and Request for Public Comment on, Proposed Disapproval of Contract Listing and Proposed Disapproval and Proposed Order to Change and to Supplement Chicago Board of Trade Proposal on Contract Specifications.

SUMMARY: The Commodity Futures Trading Commission ("Commission") has issued a Proposed Order to the Board of Trade of the City of Chicago ("CBT"), under sections 5a(a)(10) and 15 of the Commodity Exchange Act ("Act"), 7 U.S.C. 7a(a)(10) and 19, to change and to supplement its proposal regarding the delivery terms of the CBT corn and soybean futures contracts. Notice of the Commission's Proposed Order was published in the **Federal Register** on Monday, September 22, 1997. 62 FR 49474. The Proposed Order proposed a number of changes and supplements to the CBT proposal for its corn and soybean futures contracts. The Commission also proposed to disapprove, to change and to supplement the terms of the July and December 1999 corn futures contracts and the July and November 1999 soybean futures contracts proposed by the CBT.

The Commission has become aware that the Board of Trade of the City of Chicago (CBT) notified its members on September 19, 1997, of its intent to propose listing for trading the January 1999 soybean futures contract and the March 1999 corn futures contract. By letter dated September 23, 1997, the Commission notified the CBT that the Commission is proposing under sections 5a(a)(10), 5a(a)(12), 8a(7) and 15 of the Act to disapprove the listing for trading and to disapprove, to change and to supplement the terms of the January 1999 soybean futures contract and the

March 1999 corn futures contract on the same basis and for the same reasons as it has determined in its Proposed Order of September 15, 1997, to propose to disapprove, to change and to supplement the July and December 1999 corn futures contracts and the July and November 1999 soybean futures contracts.

The Commission has determined that publication of the notice to the CBT proposing to disapprove the listing and to disapprove, to change and to supplement the terms of the January 1999 soybean futures contract and the March 1999 corn futures contract is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purposes of the Commodity Exchange Act.

DATES: Comment must be received by October 22, 1997.

ADDRESSES: Comments should be mailed to the Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, N.W., Washington, D.C. 20581, attention: Office of the Secretariat; transmitted by facsimile at (202) 418-5521; or transmitted electronically at [secretary@cftc.gov]. SUPPLEMENTARY INFORMATION: Section 5a(a)(10) of the Act provides that as a condition of contract market designation, boards of trade are required to:

permit the delivery of any commodity, on contracts of sale thereof for future delivery, of such grade or grades, at such point or points and at such quality and locational price differentials as will tend to prevent or diminish price manipulation, market congestion, or the abnormal movement of such commodity in interstate commerce. If the Commission after investigation finds that the rules and regulations adopted by a contract market permitting delivery of any commodity on contracts of sale thereof for future delivery, do not accomplish the objectives of this subsection, then the Commission shall notify the contract market of its finding and afford the contract market an opportunity to make appropriate changes in such rules and regulations. If the contract market within seventy-five days fails to make the changes which in the opinion of the Commission are necessary to accomplish the objectives of this subsection, then the

Commission after granting the contract market an opportunity to be heard, may change or supplement such rules and regulations of the contract market to achieve the above objectives * * *.

The Commission, on September 15, 1997, issued a Proposed Order under sections 5a(a)(10) and 15 of the Act to change and to supplement the proposal of the CBT relating to the delivery specifications of the corn and soybean futures contracts. That proposal was submitted in response to prior Commission notification to the CBT that its futures contracts for corn and soybeans no longer were in compliance with the requirements of section 5a(a)(10) of the Act. The text of the Proposed Order was published in the **Federal Register**, and public comment was requested thereon. 62 FR 49474 (September 22, 1997).

The Commission has become aware that the CBT notified its members on September 19, 1997, of its intent to propose listing for trading of the January 1999 soybean futures contract and the March 1999 corn futures contract. By letter dated September 23, 1997, the Commission notified the CBT that it is proposing under sections 5a(a)(10), 5a(a)(12), 8a(7) and 15 of the Act to disapprove the listing for trading and to disapprove, to change and to supplement the terms of the January 1999 soybean futures contract and the March 1999 corn futures contract on the same basis and for the same reasons as it has determined in its Proposed Order of September 15, 1997, to propose to disapprove, to change and to supplement the July and December 1999 corn futures contracts and the July and November 1999 soybean futures contracts.

A public hearing on the Proposed Order has been scheduled for October 15, 1997, (or at an earlier date if the CBT requests) at the Commission's Washington, D.C. office. The CBT also will have an opportunity at that public hearing to make an oral presentation before the Commission on the matters raised in this notice to disapprove the listing and to disapprove, to change and to supplement the January 1999 soybean futures contract and the March 1999 corn futures contract. The Commission will also accept written comments from the CBT on this issue on or before the date of the hearing. The text of this notification is as follows:

September 23, 1997.

Mr. Patrick Arbor,
Chairman of the Board, Board of Trade of the City of Chicago, 141 W. Jackson Blvd., Chicago, Illinois 60604-2994.

Re: Proposed Disapproval of Exchange Listing for Trading of January 1999 Soybean Futures Contract and March 1999 Corn Futures Contract

Dear Mr. Arbor: The Commission is aware that the Board of Trade of the City of Chicago (CBT) notified its members on September 19, 1997, of its intent to propose listing for trading the January 1999 soybean futures contract and the March 1999 corn futures contract.

The Commodity Futures Trading Commission (Commission) hereby notifies the CBT that listing the above contract months is not consistent with the abbreviated review provisions of Commission rule 1.41(l), 17 CFR 1.41(l), and will be subject to the usual review and approval procedures under section 5a(a)(12) of the Commodity Exchange Act (Act) and rule 1.41(b). Commission rule 1.41(l) provides that all changes in contract months shall be deemed approved by the Commission ten days after notice of the change is received by the Commission if consistent with the Act and the Commission's regulations.¹

The Commission, by letter dated December 19, 1996, notified the CBT that the delivery terms of its corn and soybean futures contracts are not consistent with the requirements of section 5a(a)(10) of the Act. In its December 19, 1996 notification, the Commission stated:

[i]n light of the Commission's determination that the CBT's futures contracts in corn and soybeans no longer comply with the requirements of section 5a(a)(10) of the Act, the CBT should refrain from listing additional months for trading in those contracts during the pendency of these proceedings.

61 FR 67998, 67999 (December 26, 1997).

On September 15, 1997, the Commission issued a proposed Order to change and to supplement the CBT's response to the December 19, 1996 section 5a(a)(10) notice and to disapprove, to change and to supplement the terms proposed by the CBT for the July and December 1999 corn and July and November 1999 soybean futures contracts, which were listed by the CBT without Commission approval. The Commission has notified the CBT under the proposed Order that the CBT will have an opportunity to be heard by the Commission on October 15, 1997, or sooner if the CBT requests.

The delivery specifications intended by the CBT to be applicable to the January 1999 soybean futures contract and the March 1999 corn futures contract are the same as those that the Commission proposed to disapprove for application to the July and December

1999 corn futures contracts and the July and November 1999 soybean futures contracts in its Proposed Order of September 15, 1997. Listing additional delivery months under either the contract terms found by the Commission to violate the provisions of section 5a(a)(10) or under proposed terms on which the Commission already has taken action proposing disapproval is not consistent with the provisions and policies of the Act. The Commission proposes to disapprove the listing of these contract months on those grounds.

Because the Commission finds that listing these trading months is not consistent with Commission rule 1.41(l) and that Commission review and approval under section 5a(a)(12) and rule 1.41(b) is required prior to their listing, their listing for trading by the CBT is not legally authorized at the present time. Moreover, the Commission proposes under sections 5a(a)(10), 5a(a)(12), 8a (7) and 15 of the Act to disapprove the listing for trading and to disapprove, to change and to supplement the terms of the January 1999 soybean futures contract and the March 1999 corn futures contract on the same bases and for the same reasons as it has stated in its December 19, 1996 notification and its Proposed Order of September 15, 1997.

A public hearing on the Proposed Order of September 15, 1997, has been scheduled for October 15, 1997, (or at an earlier date if the CBT requests) at the Commission's Washington, D.C. office. The CBT also will have an opportunity at that public hearing to make an oral presentation before the Commission on the matters raised in this notice to disapprove the listing and to disapprove, to change and to supplement the January 1999 soybean futures contract and the March 1999 corn futures contract. The Commission will also accept written comments from the CBT on this issue on or before the date of the hearing.

The Commission also reserves all of its authority under the Act to bring appropriate legal action against the CBT for the violation of section 5a(a)(12) of the Act and Commission rules 1.41(b) and 1.41(l) which require the CBT to obtain approval by the Commission prior to listing new delivery months for trading. Such reservation of authority relates to the January, July and November 1999 soybeans futures contracts and the March, July and December 1999 corn futures contracts, as well as any contract months CBT attempts to list without prior approval hereafter.² As the Commission noted in its Proposed Order of September 15, 1997, the Commission is prepared to approve immediately the listing of delivery months which incorporate the Commission's proposed changes and supplements.

The Commission hereby instructs the CBT that it must notify all market participants that

the Commission has not approved the listing of these contract months as required by law and that the Commission has proposed to disapprove the listing and to disapprove, to change and to supplement the terms proposed by the CBT.

By the Commission.

Jean A. Webb,

Secretary of the Commission.

The Commission has determined that publication of this Proposed Disapproval of Contract Listing and Proposed Order to Disapprove, to Change and to Supplement the Chicago Board of Trade Proposal on Contract Specifications relating to the January 1999 soybean futures contract and the March 1999 corn futures contract for public comment will assist the Commission in its consideration of these issues. Accordingly, the Commission is requesting written comments from interested members of the public.

Issued in Washington, D.C., this 23rd day of September, 1997, by the Commodity Futures Trading Commission.

Jean A. Webb,

Secretary of the Commission.

BILLING CODE 3910-01-P

¹ Commission rule 1.41(l) provides, in part, that:

Notwithstanding the provisions of paragraph (b) of this section, all changes in trading months shall be deemed approved by the Commission ten days after written notice of such a change is received by the Commission if:

(i) The change is consistent with a rule of the contract market governing the listing of trading months which has been approved by the Commission, and with the Act and the Commission's regulations; * * *

² In this regard, the Commission notes that the listing of contract months under the current contract terms prior to the December notification's finding that the contracts' terms are in violation of section 5a(a)(10) of the Act is fundamentally different from the listing of trading months after such a finding has been made.
