This **Federal Register** notice announces the availability of the draft PR Notice and solicits comment on the proposed policy. If, after reviewing any comments, EPA determines that changes to the Notice are warranted, the Agency will revise the draft PR Notice prior to release.

I. Purpose

The purpose of the proposed PR Notice is to reinvent the registration process by expanding the types of minor amendments which may be accomplished by notification, non-notification, or minor formula changes. The proposed PR Notice will supersede the document now in effect, PR Notice 95-2 (May 31, 1995). The goal of this notice is to increase the efficiency and timeliness of the registration amendment process so as to reduce regulatory burdens while maintaining protection to human health and the environment.

II. Applicability

The proposed PR Notice will apply to all applicants seeking minor registration amendments which meet the criteria in the notice.

III. Contents of the PR Notice

The proposed PR Notice simply expands the current PR Notice 95-2 to include more kinds of minor labeling amendments which may be accomplished by notification or non-notification. In addition, the proposed notice revises the process for submission and review of notifications

to reflect the new requirements of the Food Quality Protection Act of 1996.

IV. Submission of Confidential Business Information

Information submitted as a comment concerning this document may be claimed confidential by marking any part or all of that information as CBI. Information so marked will not be disclosed except in accordance with procedures set forth in 40 CFR part 2. A copy of the comment that does not contain CBI must be submitted for inclusion in the public record. Information not marked confidential may be disclosed publicly by EPA without prior notice.

V. Public Record

A record has been established for this action under docket number "OPP-00502" (including comments and data submitted electronically as described below). A public version of this record, including printed, paper versions of electronic comments, which does not include any information claimed as CBI, is available for inspection from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The public record is located in Rm. 1132 of the Public Information and Records Integrity Branch, Information Resources and Services Division (7506C), Office of Pesticide Programs, Environmental Protection Agency, Crystal Mall #2, 1921 Jefferson Davis Highway, Arlington, VA.

Electronic comments can be sent directly to EPA at:

opp-docket@epamail.epa.gov

Electronic comments must be submitted as an ASCII file avoiding the use of special characters and any form of encryption.

The official record for this action, as well as the public version, as described above will be kept in paper form. Accordingly, EPA will transfer all comments received electronically into printed, paper form as they are received and will place the paper copies in the official record which will also include all comments submitted in writing. The official record is the paper record maintained at the address in ADDRESSES at the beginning of this document.
