ANR Pipeline Company; Notice of Application

October 9, 1997.

Take notice that on October 1, 1997, ANR Pipeline Company (ANR), 500 Renaissance Center, Detroit, Michigan 48243, filed an application in Docket No. CP98-2-000 pursuant to section 7(c) of the Natural Gas Act, for authorization to utilize temporary work spaces and any other authorization deemed necessary associated with a pipeline replacement project in Kent County, Michigan, all as more fully set forth in the application on file with the Commission and open to public inspection.

ANR proposes to replace a 0.96 mile line segment of its mainline system because of increased population density in order to satisfy U.S. Department of Transportation safety regulations. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for ANR to appear or be represented at the hearing.
