In addition, the Council will continue to advise the BLM and Forest Service regarding standards for rangeland health and guidelines for grazing management, the Southeastern Oregon Resource Management Plan, and the Interior Columbia Basin Ecosystem Management Project.

This council is authorized under the Federal Land Policy and Management Act (FLPMA), which directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by BLM. As required by the FACA, Resource Advisory Council membership must be balanced and representative of the various interests concerned with the management of public lands.

**Category Two:** Representatives of environmental and resource conservation organizations, dispersed recreation, archeological and historic interests, and wild horse and burro groups.

**Category Three:** Representatives of State and local government, Native American tribes, academicians involved in natural sciences, employees of State agencies responsible for the management of natural resources, land, or water, and the public at large.

Individuals may nominate themselves or others. Nominees must be residents of the State of Oregon. The Southeast Oregon Council covers southeastern Oregon. A nomination form may be obtained from the Vale District, Bureau of Land Management, 100 Oregon

Street, Vale, Oregon 97918 or by calling (541) 473-3144. Nominations must be received by November 28, 1997.

All nominations must be accompanied by letters of reference from represented interests or organizations, a completed background information nomination form, as well as any other information that speaks to the nominee's qualifications. The BLM Oregon/Washington State Director, the Forest Service Regional Forester, and the Oregon Governor's Office will forward the nominations to the Secretary of the Interior, who will make the appointment to the Council. This nomination period will also be announced through press releases issued by the BLM Oregon/Washington State Office.
