By letter of October 7, 1997, the petitioner requested administrative

reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance, applicable to petition number NAFTA-01866. Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Kimberly-Clark Corporation, Winslow Plant, Winslow, Maine; Including Leased Workers of Northeast Laboratories, Winslow, Maine; Amended Certification Regarding Eligibility to Apply for NAFTA-Transitional Adjustment Assistance

In accordance with Section 250(A), Subchapter D, Chapter 2, Title II, of the Trade Act of 1974 (19 USC 2273), the Department of Labor issued a Certification for NAFTA Transitional Adjustment Assistance on August 27, 1997, applicable to all workers of the Winslow Plant of Kimberly-Clark Corporation, located in Winslow, Maine.

The notice was published in the **Federal Register** on September 30, 1997 (62 FR 32376).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some employees of Northeast Laboratories, Winslow, Maine were engaged in employment related to performing environmental testing for the production of bath tissue produced by the Winslow Plant of Kimberly-Clark Corporation located in Winslow, Maine. Worker separations occurred at

Northeast Laboratories as a result of worker separations at Kimberly-Clark Corporation.

Based on these findings, the Department is amending the certification to include workers of Northeast Laboratories, Winslow, Maine leased to Kimberly-Clark Corporation, Winslow, Maine.

The intent of the Department's certification is to include all workers of Kimberly-Clark adversely affected by imports.

The amended notice applicable to NAFTA-01801 is hereby issued as follows:

All workers of the Winslow Plant of Kimberly-Clark Corporation, located in Winslow, Maine, and leased workers of Northeast Laboratories, Winslow, Maine engaged in employment related to environmental testing for the production of bath tissue produced by the Winslow Plant of Kimberly-Clark Corporation located in Winslow, Maine who became totally or partially separated from employment on or after July 7, 1996 are eligible to apply for NAFTA-TAA under Section 250 of the Trade Act of 1974.

Signed at Washington, D.C. this 10th day of October, 1997.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

McDonnell Douglas, Long Beach, California; Notice of Negative Determination on Reconsideration

On May 22, 1997, the Department issued an Affirmative Determination Regarding Application for Reconsideration for the workers and former workers of the subject firm. The petitioner, United Automobile, Aerospace & Agricultural Implement Workers of America, Local 148, presented evidence that the Department's investigation was incomplete. The notice was published in the **Federal Register** on June 10, 1997 (62 FR 31629).

The petitioner asserts that McDonnell Douglas used contract workers from Mexico and Canada to produce certain components of both commercial and military aircraft, which adversely affected employment for at least two bargaining unit classifications.

The Department initially denied NAFTA-TAA to the McDonnell Douglas

worker group because criterion (1) of the group eligibility requirements of paragraph (a)(1) of Section 250 of the Trade Act of 1974, as amended, was not met. The level of employment at the subject firm increased during the time period relevant to the investigation.

Findings on reconsideration show that since the NAFTA petition was filed on behalf of workers producing commercial aircraft, the Department's investigation was not limited to individual worker groups within the Long Beach production facility, but instead, covered all workers at McDonnell Douglas producing commercial aircraft.

Other findings on reconsideration reveal that criteria (3) and (4) of the group eligibility requirements of paragraph (a)(1) of Section 250 of the Trade Act of 1974, as amended, were not met for the McDonnell Douglas workers. There were no company or customer imports of commercial aircraft, nor was there a shift in the production of commercial aircraft from Long Beach to Mexico or Canada.

Conclusion

After reconsideration, I affirm the original notice of negative determination of eligibility to apply for adjustment assistance and NAFTA-TAA for workers and former workers of McDonnell Douglas, Long Beach, California.

Signed at Washington, D.C., this 10th day of October 1997.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.
