Notice of Availability of Record of Decision (ROD) for the Colorado Airspace Initiative (CAI)

On October, 28, 1997, the Air Force signed the ROD for the Colorado Airspace Initiative (CAI). The decision included in the ROD were made in consideration of, but not limited to, the information contained in the Final Environmental Impact Statement (FEIS) filed with the Environmental Protection Agency on August 22, 1997.

The decision rendered by the US Air Force is that the US Air Force will proceed with modifying existing and creating new military training airspace. The actions will take place primarily in Colorado, and will be used primarily by the Colorado Air National Guard, although other military service flying units will also use the airspace. The CAI serves to support the National Guard Bureau's request for modification to the National Airspace System administered by the Federal Aviation Administration (FAA). Another purpose is to respond to changes in commercial aircraft arrival and departure corridors dictated by the FAA for the operation of the new Denver International Airport.

The implementation of the CAI will proceed with minimal adverse impact to

the environment. This action conforms with applicable Federal, State and local statutes and regulation, and all reasonable and practicable efforts have been or will be made to minimize any related impact to the local public and the environment.

Any questions regarding this matter should be directed to Mr. Harry Knudsen, (301) 836-8143.

Correspondence should be sent to: ANG/CEVP, 3500 Fetchet Avenue, Andrews Air Force Base, MD 20762-5157.

SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994) (Pub. L. 103-382).

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress. The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons.

On Thursday, November 20, 1997, there will be meeting of four committees of the Governing Board. Subject Area Committees #1 and #2 will meet in joint session from 2:00 to 3:00 p.m. to receive an update on the 1998 assessments in reading, writing, and civics.

The Design and Methodology Committee will meet in closed session from 2:00-5:00 p.m. to review the unreleased NAEP procurement documents which contain contract specifications and government cost estimates for the purpose of determining the appropriateness of their alignment with the NAGB redesign policy. This meeting must be conducted in closed session because the information presented for review would be likely to significantly frustrate implementation of a proposed agency action. Such matters are protected by exemption (9)B of section 552b(c) of Title 5 U.S.C.

The Subject Area Committee #2 will meet in open session from 3:00-5:00 p.m. The Committee will be briefed on the North Carolina/NAEP Math Content Analysis project, and discuss issues related to NAEP redesign.

The Executive Committee will meet on November 20 from 5:00 to 6:00 p.m. in open session. In the open session from 5:00-6:00 p.m., the Executive Committee will be briefed by staff on the following items: NAEP and the Voluntary National Tests initiative, the status of the grant program for secondary analysis of the NAEP data, and NAEP redesign issues.

Then the Executive Committee will meet in closed session from 6:00 to 7:00 p.m. and the Committee will discuss the development of cost estimates for NAEP and future contract initiatives. This portion of the meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial

effect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of Section 552b(c) of Title 5 U.S.C.

Also, during the same closed session, the Committee will discuss the qualifications of individuals to serve as Vice-Chair of the Governing Board. The Committee will formulate a recommendation for action by the full Board. The discussion would disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy if conducted in open session. Such matters are protected by exemptions (2) and (6) of Section 552b(c) of Title 5 U.S.C.

On November 21, the full Board will convene in open session beginning at 8:30 a.m. The agenda for this session of the full Board meeting includes approval of the agenda, introduction of new members, and election of the NAGB Vice-Chair. Also, the morning agenda will include a report from the Executive Director, administration of the oath of office to new members and remarks by the Secretary of Education. This session will conclude with an update on the NAEP project.

Between 10:15 a.m. and 12:00 noon, there will be open meetings of the following subcommittees: Achievement Levels, Reporting and Dissemination, and Subject Area Committee #1. The Achievement Levels Committee will discuss the calendar for the upcoming levels setting process and consider policy issues for 1998.

Agenda items for the Reporting and Dissemination Committee include plans for release and schedule of future NAEP reports; plans for the development of a NAEP Resource Kit; and plans for reporting district-level results from existing state samples.

There will be two discussion items on the Subject Area Committee #1 agenda: (1) issues related to the preparation of an RFP for a foreign language assessment, and (2) issues related to the NAEP redesign.

The full Board will reconvene at 12:00 noon. The agenda items during this period include: a briefing on the 1996 Science Achievement Levels Report, a presentation on Redesign Issues, and a presentation on NAEP activities from framework development to reporting of the assessment results. The Board recess is scheduled for 5:00 p.m.

On Saturday, November 22, the Nominations Committee will meet in open session from 8:00-9:00 a.m. to
