DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Office of Minority Health; Availability of Funds for Grants for the Minority Community Health Coalition Demonstration Program

AGENCY: Office of the Secretary, Office of Minority Health.

ACTION: Notice of availability of funds and request for applications for the Minority Community Health Coalition Demonstration Grant Program.

Authority

This program is authorized under section 1707(d)(1) of the Public Health Service Act, as amended by Public Law 101-527, the Disadvantaged Minority Improvement Act of 1990.

Purpose

The purpose of this Fiscal Year 1998 Minority Community Health Coalition Demonstration Program is to issue grants to improve the health status of targeted minority populations through health promotion and disease risk reduction intervention programs. This program is intended to demonstrate the effectiveness of community-based coalitions in:

- (1) Developing, implementing and conducting demonstration projects which coordinate integrated community-based screening and outreach services, and include linkages for access and treatment to minorities in high-risk, low-income communities; and
- (2) Addressing sociocultural and linguistic barriers to health care.

The Public Health Service (PHS) is committed to achieving the health promotion and disease prevention objectives of Healthy People 2000, a PHS-led national activity to reduce morbidity and mortality and to improve the quality of life. Potential applicants may obtain a copy of the Healthy People 2000 (Full Report: Stock No. 017-001-00474-0) or Healthy People 2000

Midcourse Review and 1995 Revisions (Stock No. 017-001-00526-6) through the Superintendent of Documents, Government Printing Office, Washington, D.C. 20402-9325 or telephone (202) 783-8238.

Background

This program is based on the hypothesis that the community coalition approach to health promotion and risk reduction can be effective in reaching minority target populations—especially those most at risk or hard to reach. Among the merits of using coalitions is the higher likelihood that: (1) the intervention will be culturally sensitive, credible and more acceptable to the target population; (2) the project will address the health problem(s) within the context of related socio-economic issues; and (3) the effort will contribute to overall community empowerment by strengthening indigenous leadership and organizations. The OMH is continuing, through this announcement, to promote the utilization of community coalitions to develop and implement health promotion/disease risk reduction programs.

In FY 1998 the Minority Community Health Coalition Demonstration Program continues to focus on health problem areas identified in the 1995 OMH Report to Congress. These health areas are commonly referred to as the "7+4" health issue areas: (1) cancer; (2) cardiovascular disease and stroke; (3) chemical dependency; (4) diabetes; (5) homicide, suicide and unintentional injuries; (6) infant mortality; and (7) HIV/AIDS; plus, access to health care; health professions personnel development; improved data collection and analysis; and cultural competency. Flexibility for communities to define their own health problem priorities (e.g., asthma, sexually transmitted diseases [STDs], tuberculosis, female genital mutilation, immunization and tobacco use) is also encouraged.

Eligible Applicants

Public and private, nonprofit minority community-based organizations which represent an established community coalition of at least three discrete organizations. (See Definitions of Minority Community-Based Organizations and Community Coalition found in this announcement.) The minority community-based organization will: serve as the lead agency for the grant; be responsible for management of the project; and serve as the fiscal agent for the Federal grant awarded. The coalition must include a health care facility such as a community health center, migrant health center, health

department or medical center to provide follow-up treatment services. The coalition membership must be documented as specified under the project requirements described in this announcement.

National organizations are not eligible to apply, however, local affiliates of such organizations which meet the definition of minority community-based organization are eligible. Currently funded OMH Bilingual/Bicultural Service Demonstration Program (Managed Care) grantees are not eligible to apply. Organizations are not eligible to receive funding from more than one OMH grant program.

Deadline

To receive consideration, grant applications must be received by the Office of Minority Health (OMH) Grants Management Office by January 20, 1998. Applications will be considered as meeting the deadline if they are: (1) received on or before the deadline date, or (2) postmarked on or before the deadline date and received in time for orderly processing. A legibly dated receipt from a commercial carrier or U.S. Postal Service will be accepted in lieu of a postmark. Private metered postmarks will not be accepted as proof of timely mailing. Applications submitted by facsimile transmission (FAX) or any other electronic format will not be accepted. Applications which do not meet the deadline will be considered late and will be returned to the applicant unread.
