**AGENCY:** United States International Trade Commission.

**ACTION:** Notice of hearing and opportunity to submit written comments for biennial update report.

**EFFECTIVE DATE:** December 3, 1997.

**SUMMARY:** The Commission has scheduled a hearing in connection with the second biennial report in this investigation for May 12, 1998, and has established deadlines for the submission of requests to appear at the hearing and for the filing of written submissions as set forth below.

**FOR FURTHER INFORMATION CONTACT:** Michael Gallaway at (202) 205-3247, Office of Economics, U.S. International Trade Commission. Hearing impaired persons are advised that information on this investigation can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

**SUPPLEMENTARY INFORMATION:** In a letter dated May 15, 1992, the United States Trade Representative (USTR) requested that the United States International Trade Commission conduct an investigation assessing the quantitative economic effects of significant U.S. import restraint programs operating in the U.S. economy. The request also asked the Commission to prepare reports updating the analysis, with delivery of those reports to be made on 2-year intervals following the submission of the first report. The first report was delivered to the USTR in November 1993 and the first update was transmitted in December 1995. A letter from USTR sent March 10, 1997 requested that the second update be delayed to February 1999 to allow the analysis to incorporate important information due to be released very near the previously scheduled December 1997 due date.

In this second biennial update report, the Commission will, as was done in the first two reports, assess the economic effects of significant U.S. import restraints on U.S. consumers, on the activities of U.S. firms, on the income and employment of U.S. workers, and on the net economic welfare of the United States. The investigation will not include import restraints resulting from final antidumping or countervailing duty investigations, section 337 or 406 investigations, or section 301 actions.

The initial notice of institution of this investigation was published in the **Federal Register** of June 17, 1992 (57 FR 27063).

**PUBLIC HEARING:** A public hearing in connection with this investigation will be held on May 12, 1998, beginning at 9:30 a.m. It will be held in the Commission's hearing room at 500 E Street, SW., Washington, D.C. 20436. All persons will have the right to appear by counsel or in person to present information and to be heard. Requests to appear at the public hearing should be filed with the Secretary, United States International Trade Commission, 500 E Street, SW., Washington, D.C., not later than the close of business, 5:15 p.m., on May 5, 1998. Hearing statements should be filed not later than May 8, 1998. Any posthearing submissions must be filed not later than COB June 12, 1998. In the event that, as of the close of business on May 5, 1998, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any person interested in attending the hearing as an observer or non-participant may call the Secretary to the Commission (202-205-1816) after May 7, 1998, to determine whether the hearing will be held.

**WRITTEN SUBMISSIONS:** Interested persons are invited to submit written statements concerning the matters to be addressed in the report. Commercial or financial information that a party desires the Commission to treat as confidential must be submitted on separate sheets of paper, each clearly marked "Confidential Business Information" at the top. (Generally, submission of separate confidential and public versions of the submission would be appropriate.) All submissions requesting confidential treatment must conform with the requirements of § 201.6 of the Commission's Rules of Practice and Procedure (19 CFR 201.6). All written submissions, except for confidential business information, will be made available in the Office of the Secretary to the Commission for inspection by interested persons. ## INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-383]

### **Certain Hardware Logic Emulation Systems and Components Thereof; Notice of Issuance of a Permanent Limited Exclusion Order and a Permanent Cease and Desist Order**

**AGENCY:** U.S. International Trade Commission.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given that the Commission has issued a permanent limited exclusion order and a permanent cease and desist order in the above-captioned investigation.

**FOR FURTHER INFORMATION CONTACT:** Jay H. Reiziss, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone 202-205-3116. General information concerning the Commission may also be obtained by accessing the Commission's Internet server (<http://www.usitc.gov> or <ftp://ftp.usitc.gov>).

**SUPPLEMENTARY INFORMATION:** This action is taken under the authority of section 337 of the Tariff Act of 1930, 19 U.S.C. 1337, and Commission rule 210.50, 19 CFR 210.50.

This investigation and temporary relief proceedings were instituted on March 8, 1996, based upon a complaint

and motion for temporary relief filed on January 26, 1996, by Quickturn Design Systems, Inc ("Quickturn"). The respondents are Mentor Graphics Corporation ("Mentor") of Wilsonville, Oregon and Meta Systems ("Meta") of Saclay, France (collectively "respondents"). Meta is a wholly owned subsidiary of Mentor. The products at issue are hardware logic emulation systems, subassemblies thereof, and components thereof, including hardware logic emulation software, that are used in the semiconductor manufacturing industry to design and test the electronic circuits of semiconductor devices.

After an 11-day evidentiary hearing in April-May 1996, the presiding administrative law judge ("ALJ") issued an initial determination ("ID") granting complainant Quickturn's motion for temporary relief. On August 5, 1996, the Commission determined not to modify or vacate the ID and issued a temporary limited exclusion order against Mentor and Meta and a temporary cease and desist order against Mentor, and determined that the amount of respondents' bond during the pendency of temporary relief should be forty-three (43) percent of the entered value of imported hardware logic emulation systems and components thereof.

After a 14-day evidentiary hearing and two days of closing arguments, the ALJ, on July 31, 1997, issued a final ID finding that respondents had violated section 337 by infringing claims of all five of Quickturn's asserted patents. On that same date, the ALJ issued a recommended determination ("RD") recommending the issuance of a permanent exclusion order and a cease and desist order. On October 2, 1997, the Commission issued its notice of the decision not to review the ALJ's final ID, thereby finding that respondents are in violation of section 337. The Commission also requested briefs on the issues of remedy, the public interest, and bonding. On October 16, 1997, Quickturn, respondents, and the Commission investigative attorneys submitted comments on those issues, and on October 23, 1997, all parties submitted reply comments.

The Commission, having determined that a violation of section 337 has occurred in the importation, sale for importation, or sale in the United States of the accused hardware logic emulation systems and components thereof, including software, considered the issues of the appropriate form of such relief, whether the public interest precludes issuance of such relief, and respondents' bond during the 60-day Presidential review period.
