 and 5516.34.0520.

The limits set forth above are subject to adjustment pursuant to the provisions of the ATC and administrative arrangements notified to the Textiles Monitoring Body.

Products in the above categories exported during 1997 shall be charged to the applicable category limits for that year (see directive dated November 4, 1996) to the extent of any unfilled balances. In the event the limits established for that period have been exhausted by previous entries, such products shall be charged to the limits set forth in this directive.

In carrying out the above directions, the Commissioner of Customs should construe entry into the United States for consumption to include entry for consumption into the Commonwealth of Puerto Rico.

The Committee for the Implementation of Textile Agreements has determined that these actions fall within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

Troy H. Cribb,

Chairman, Committee for the Implementation of Textile Agreements.

BILLING CODE 3510-DR-F

**COMMODITY FUTURES TRADING COMMISSION**

**Applications of the CME for Designation as a Contract Market in Futures and Options on Frozen Pork Bellies**

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Notice of availability of terms and conditions of proposed commodity futures and options contract.

**SUMMARY:** The Chicago Mercantile Exchange (CME or Exchange) applied for designation as a contract market in futures and options on frozen pork bellies. The Director of the Division of Economic Analysis (Division) of the Commission, acting pursuant to the authority delegated by Commission Regulation 140.96, has determined that publication of the proposals for comment is in the public interest, will assist the Commission in considering the views of interested persons, and is consistent with the purposes of the Commodity Exchange Act.

**DATES:** Comments must be received on or before January 28, 1998.

**ADDRESSES:** Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581. In addition, comments may be sent by facsimile transmission to facsimile number (202) 418-5521 or by electronic mail to secretary@cftc.gov. Reference should be made to the CME frozen pork bellies contracts.

**FOR FURTHER INFORMATION CONTACT:** Please contact Fred Linse of the Division of Economic Analysis, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581, telephone 202-418-5273. Facsimile number: (202) 418-5527. Electronic mail: flinse@cftc.gov.

**SUPPLEMENTARY INFORMATION:** The CME stated that:

In the eight months that have passed since the Fresh Pork Bellies futures contract began trading, the Exchange has become aware of a relatively small but still significant demand for a Frozen Pork Bellies contract. Just as the Exchange earlier acknowledged the difficulty of hedging fresh bellies with a frozen-based futures contract, it now recognizes the difficulty of hedging frozen bellies with a fresh-based futures contract. Therefore, the Exchange has decided to pursue a second, separate futures contract for Frozen Pork Bellies that could be listed and traded independent of the Fresh Pork Bellies futures contract. This proposed "new" Frozen Pork Bellies futures contract is identical to the existing Frozen Pork Bellies futures contract.

Copies of the terms and conditions will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581. Copies of the terms and conditions can be obtained through the Office of the Secretariat by

mail at the above address or by phone at (202) 418-5100.

Other materials submitted by the CME in support of the applications for contract market designation may be available upon request pursuant to the Freedom of Information Act (5 U.S.C. 552) and the Commission's regulations thereunder (17 CFR part 145 (1987)), except to the extent they are entitled to confidential treatment as set forth in 17 CFR 145.5 and 145.9. Requests for copies of such materials should be made to the FOI, rivacy and Sunshine Act Compliance Staff of the Office of Secretariat at the Commission's headquarters in accordance with 17 CFR 145.7 and 145.8.

Any person interested in submitting written data, views, or arguments on the proposed terms and conditions, or with respect to other materials submitted by the CME, should send such comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, NW, Washington, DC 20581 by the specified date.

Issued in Washington, DC, on December 19, 1997.

**John R. Mielke,**

Acting Director.

BILLING CODE 6351-01-P

**COMMODITY FUTURES TRADING COMMISSION**

**Application of the NYFE for Designation as a Contract Market in Futures on the NYSE Small Composite Index**

**AGENCY:** Commodity Futures Trading Commission.

**ACTION:** Notice of availability of terms and conditions of proposed commodity futures contract.

**SUMMARY:** The New York Futures Exchange (NYFE or Exchange) applied for designation as a contract market in futures on the NYSE small composite index.

**DATES:** Comments must be received on or before January 8, 1998.

**ADDRESSES:** Interested persons should submit their views and comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 21st Street, NW Washington, DC 20581. In addition, comments may be sent by facsimile transmission to facsimile number (202) 418-5521, or by electronic mail to secretary@cftc.gov. Reference should be made to the NYFE small composite index contract.

**FOR FURTHER INFORMATION CONTACT:**

Please contact Thomas Leahy of the Division of Economic Analysis, Commodity Futures Trading Commission, Three Lafayette Centre, 21st Street NW, Washington, 20581, telephone (202) 418-5278. Facsimile number: (202) 418-5527. Electronic mail: tleahy@cftc.gov.

**SUPPLEMENTARY INFORMATION:** There are no substantive issues raised by the application since futures contracts with similar terms based on the composite index are actively traded. The Division believes that for this reason, and in particular because the proposed contract is identical to the actively traded composite index contract (except for the contract size), a 15-day comment period is appropriate.

Copies of the terms and conditions will be available for inspection at the Office of the Secretariat, Commodity Futures Trading Commission, Three Lafayette Centre, 21st Street NW, Washington, DC 20581. Copies of the terms and conditions can be obtained through the Office of the Secretariat by mail at the above address or by phone at (202) 418-5100.

Other materials submitted by the NYFE in support of the application for contract market designation may be available upon request pursuant to the Freedom of Information Act (5 U.S.C. 552) and the Commission's regulations thereunder (17 CFR part 145 (1987)), except to the extent they are entitled to confidential treatment as set forth in 17 CFR 145.5 and 145.9. Requests for copies of such materials should be made to the FOI, Privacy and Sunshine Act Compliance Staff of the Office of Secretariat at the Commission's headquarters in accordance with 17 CFR 145.7 and 145.8.

Any person interested in submitting written data, views, or arguments on the proposed terms and conditions, or with respect to other materials submitted by the NYFE, should send such comments to Jean A. Webb, Secretary, Commodity Futures Trading Commission, Three Lafayette Centre, 21st Street NW, Washington, DC 20581 by the specified date.

Issued in Washington, DC, on December 18, 1997.

BILLING CODE 6355-01-M

**DEPARTMENT OF DEFENSE****Department of the Air Force****Proposed Collection; Comment Request**

**AGENCY:** Department of the Air Force.

**ACTION:** Notice.

In compliance with Section 3506 (c)(2)(A) of the Paperwork Reduction Act of 1995, the Department of the Air Force announces the proposed reinstatement of a public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

**DATES:** Consideration will be given to all comments received by February 27, 1998.

**ADDRESSES:** Written comments and recommendations on the proposed information collection should be sent to HQ AFSPC/SCMA, 150 Vandenberg Street, Suite 1105, ATTN: MSgt. Gregory D. Stevens, Peterson Air Force Base, CO 80914-4400.

**FOR FURTHER INFORMATION CONTACT:** To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the above address, or call HQ AFSPC/SCMA. Intercontinental Ballistic Missile Communications Mission Support Team, (719) 554-3806.

*Title, Associated Form, and OMB Number:* Intercontinental Ballistic Missile Hardened Intersite Cable Right-of-Way Landowner/Tenant Questionnaire, Air Force Form 3951, February 1996, OMB Number 0701-0141.

*Needs and Uses:* The information collection requirement is used to report changes in ownership/lease information, conditions of missile cable route and associated appurtenances, and projected building/excavation projects. The information collected is used to ensure system integrity and to maintain a close contact public relations program with involved personnel and agencies.

*Affected Public:* Individuals or households; Farms.

*Number of Respondents:* 4000.

*Responses Per Respondent:* 1.

*Average Burden Per Response:* 15 minutes.

*Frequency:* Biennially.

**Summary of Information Collection**

Respondents are landowners/tenants. This form collects updated landowner/tenant information as well as data on local property conditions which could adversely affect the Hardened Intersite Cable System (HICS) such as soil erosion, projected/building projects, excavation plans, etc. This information also aids in notifying landowners/tenants when HICS preventive or corrective maintenance becomes necessary to ensure uninterrupted Intercontinental Ballistic Missile command and control capability.

**Barbara A. Carmichael,**

*Alternate Air Force Federal Register Liaison Officer.*
