

TA-W-32, 238, Vishay-Sprague Incorporated Sanford, Maine; Including Leased Workers of Manpower Technical Portland, Maine; and Leased Workers of Manpower Springvale, Maine; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 USC 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 15, 1996, applicable to all workers of Vishay-Sprague Incorporated located in Sanford, Main. The notice was published in the Federal Register on June 6, 1996 (61 FR 28900).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. New information provided by the State shows that some employees of Manpower Technical, Portland, Maine and Manpower, Springvale, Maine were engaged in employment related to the production of solid tantalum capacitors produced by Vishay-Sprague in Sanford, Maine. Worker separations occurred at Manpower Technical and Manpower as a result of worker separations at Vishay-Sprague.

Based on these findings, the Department is amending the certification to include workers of Manpower Technical, Portland, Maine and Manpower, Springvale, Maine leased to Vishay-Sprague. The intent of the Department's certification is to include all workers of Vishay-Sprague adversely affected by imports.

The amended notice applicable to TA-W-32, 238 is hereby issued as follows:

All workers of Vishay-Sprague Incorporated, Sanford, Maine engaged in employment related to the production of solid tantalum capacitors; and leased workers of Manpower Technical, Portland, Maine and Manpower, Springvale, Maine engaged in employment related to the production of solid tantalum capacitors for Vishay-Sprague Incorporated, Sanford, Maine, who became totally or partially separated from employment on or after April 3, 1995, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 6th day of February 1997.

Russell T. Kile,

Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.
