8. Participates on advisory committees and boards of the following coalitions: National Drug Prevention League, American Foundation for Drug Prevention, Recovery Network, Asian Pacific Partnership for Empowerment and Leadership, National Parents Initiative Collaborative, and the National Council of Asian Pacific Americans.

9. Developed a base of critical knowledge, skills, and abilities related to serving Asian American and Pacific Islander clients with a range of health and social problems. Through the collective efforts of its members, its affiliated community-based organizations, sponsored research, and sponsored health education and prevention programs, NAPAFA has demonstrated (1) the ability to work with academic institutions and official health agencies on mutual education, service, and research endeavors relating to the goals of disease prevention and health promotion of minorities and disadvantaged peoples, and (2) the leadership needed to assist health care professionals to work more effectively with Asian American and Pacific Islander clients and communities.

This cooperative agreement will be awarded in FY 1998 for a 12-month budget period within a project period of 5 years. Depending upon the types of projects and the availability of funds, it is anticipated that this cooperative agreement will receive approximately \$50,000 to \$100,000. Continuation awards within the project period will be made on the basis of satisfactory progress and the availability of funds.
