[Docket No. CP98-255-000]

**Columbia Gas Transmission Corporation; Notice of Request Under Blanket Authorization**

March 6, 1998.

Take notice that on March 2, 1998, Columbia Gas Transmission Corporation (Columbia), 12801 Fair Lakes Parkway, Fairfax, Virginia 22030-0146, filed in Docket No. CP98-255-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to construct and operate a new point of delivery to Columbia Gas of Virginia, Inc. (CGV) in Greenville County, Virginia, under Columbia's blanket certificate issued in Docket No. CP83-76-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

Columbia requests authorization to construct and operate a new point of delivery to provide firm transportation service to CGV in Greenville County, Virginia. Columbia states that it would provide up to 400 Dth per day and 108,000 Dth annually to CGV through the new point of delivery under its Storage Service Transportation Rate Schedule to serve an industrial customer.

Columbia states that the quantities of gas to be provided through the new delivery point will be within Columbia's authorized level of services and, therefore, there is no impact on Columbia's existing design day and annual obligations to the customers as a result of the construction and operation of the new point of delivery for firm transportation service.

Columbia estimates the cost to construct the new point to be \$28,400, and states that CGV will reimburse Columbia 100% of the actual cost of the proposed construction.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the

time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
