BILLING CODE 4162-20-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Current List of Laboratories Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies, and Laboratories That Have Withdrawn From the Program

AGENCY: Substance Abuse and Mental Health Services Administration, HHS.

ACTION: Notice.

SUMMARY: The Department of Health and Human Services notifies Federal agencies of the laboratories currently certified to meet standards of Subpart C of Mandatory Guidelines for Federal Workplace Drug Testing Programs (59 FR 29916, 29925). A similar notice listing all currently certified laboratories will be published during the first week of each month, and updated to include laboratories which subsequently apply for and complete the certification process. If any listed laboratory's certification is totally suspended or revoked, the laboratory will be omitted from updated lists until such time as it is restored to full certification under the Guidelines.

If any laboratory has withdrawn from the National Laboratory Certification Program during the past month, it will be identified as such at the end of the current list of certified laboratories, and will be omitted from the monthly listing thereafter.

This Notice is now available on the internet at the following website:
<http://www.health.org>

FOR FURTHER INFORMATION CONTACT: Mrs. Giselle Hersh or Dr. Walter Vogl, Division of Workplace Programs, Room 13A-54, 5600 Fishers Lane, Rockville, Maryland 20857; Tel.: (301) 443-6014.

SUPPLEMENTARY INFORMATION: Mandatory Guidelines for Federal Workplace Drug Testing were developed in accordance with Executive Order 12564 and section 503 of Pub. L. 100-71. Subpart C of the Guidelines, "Certification of Laboratories Engaged

in Urine Drug Testing for Federal Agencies," sets strict standards which laboratories must meet in order to conduct urine drug testing for Federal agencies. To become certified an applicant laboratory must undergo three rounds of performance testing plus an on-site inspection. To maintain that certification a laboratory must participate in a quarterly performance testing program plus periodic, on-site inspections.

Laboratories which claim to be in the applicant stage of certification are not to be considered as meeting the minimum requirements expressed in the HHS Guidelines. A laboratory must have its letter of certification from SAMHSA, HHS (formerly: HHS/NIDA) which attests that it has met minimum standards.

In accordance with Subpart C of the Guidelines, the following laboratories meet the minimum standards set forth in the Guidelines:

BILLING CODE 4160-20-U

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[CA-067-5440-00]

Intent To Amend the California Desert Conservation Area; El Centro Resource Area, CDD, CA

AGENCY: Department of the Interior,
Bureau of Land Management.

ACTION: Notice of intent.

SUMMARY: Notice is hereby given that the Bureau of Land Management proposes to change the boundaries of the West Mesa Area of Environmental Concern and the East Mesa Area of Environmental Concern. The area includes public lands in the San Bernardino Meridian.

East Mesa ACEC is proposed to be expanded north to Highway 78; along old Coachella Canal, and, west one mile to the East Mesa Geothermal Fields; and then along the eastern edge of the geothermal field.

West Mesa ACEC is proposed to be expanded south to include Target 102 of the U.S. Navy, and east (outside the Superstition Open Area) to the edge of private lands; then north to the San Sebastian ACEC and west to the San Felipe Route Corridor; this would expand the western boundary of the ACEC an average of three miles.

FOR FURTHER INFORMATION CONTACT:
Field Manager, Bureau of Land
Management, 1661 South 4th Street, El
Centro, CA 92243 760-337-4400.
(Attn: Nancy Nicolai).

SUPPLEMENTARY INFORMATION: East Mesa ACEC was designated in 1980 by the CDCA Plan. West Mesa ACEC was designated in 1987 by the 1987 CDCA Plan Amendment.

In 1997 the Flat-tailed Horned Lizard Rangeland Strategy (Strategy) and Conservation Agreement was signed by BLM. The purpose of the Strategy is to conserve viable populations of flat-tailed horned lizard. The strategy outlines Management Areas building on protection supported by existing ACECs. The West Mesa and East Mesa Management Areas are larger than existing ACECs. The proposed amendment to the CDCA Plan will expand the ACEC boundaries to match the Management Area boundaries.

The proposed amendment to the CDCA Plan is being analyzed as part of the proposed action in an environment assessment. It is anticipated that the Draft EA will be printed and made available to the public for comment in April 1998.

Dated: March 23, 1998.

Terry A. Reed,

Field Manager.
