**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Proposed supplementary rules.

**SUMMARY:** The Bureau of Land Management (BLM) proposes to adopt supplementary rules for the management of recreational uses on public lands adjacent to the South Yuba River around Hoyt's Crossing. This action is necessary to limit adverse impacts to public lands while long-term planning for the South Yuba River is underway. These supplementary rules will protect the resources and the recreational experience until planning is completed.

BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. BLM will make available for public inspection in their entirety all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses.

## II. Proposed Supplementary Rules

The South Yuba River receives a high number of visitors and users, especially in the summer period. The area available for camping and picnicking is limited to the terrain. The concentration of visitors to a small area of public land is causing unacceptable impacts to the resources and degrading the recreation experience. The Bureau of Land Management and the California State Parks are currently working on long-term planning for the South Yuba River. These supplementary rules are necessary to protect the resource and the recreational experience until the planning is finalized. After completing the planning efforts, these supplementary rules may be continued, discontinued, or amended. BLM's authority for issuing supplementary rules is contained in 43 CFR 8365.1-6. BLM proposes to adopt the following supplementary rules which would be applicable to all public lands within sections 28 and 34, Township 17 North, Range 8 East of the Mt. Diablo Meridian:

1. No person shall camp overnight. The term *camp overnight* is defined as the use, construction, or taking possession of public lands using tents, shacks, lean-tos, tarps, vehicles, huts, blankets, or sleeping bags.

2. No person shall build, attend, maintain, or use a campfire. The term "campfire" is defined as a controlled fire occurring out of doors, used for cooking, branding, personal warmth, lighting, ceremonial, or esthetic purposes.

3. No person shall possess or consume alcoholic beverages. The term "alcoholic beverages" is defined as beer, wine, distilled spirits, or any other

beverage defined as such by California law.

4. No person shall possess any bottle or container made of glass.

5. Any person who fails to comply with these supplementary rules may be subject to a fine of up to \$100,000 and/or imprisoned not to exceed 12 months. These penalties are specified by 43 U.S.C. 303 and 18 U.S.C. 3623. Federal, State, and local law enforcement officers and emergency service personnel, while performing official duties, are exempt from these supplementary rules.

Dated: April 9, 1998.
