Federal Transit Administration

Transfer of Federally Assisted Land or Facility

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of intent to transfer Federally assisted land or facility.

SUMMARY: 49 U.S.C. Section 5334(g) (formerly Section 12(k)) of the Federal Transit Act, as amended) permits the Administrator of the Federal Transit Administration (FTA) to authorize a recipient of FTA funds to transfer land or a facility to a local public body for any public purpose with no further obligation to the Federal Government if, among other things, no Federal agency is interested in acquiring the asset for Federal use. Accordingly, FTA is

issuing this Notice to advise Federal agencies that the Tri-County Metropolitan Transportation District of Oregon (Tri-Met) intends to transfer railroad right-of-way (RROW) between N.W. Division Street and Spring Water Trail (formerly Linneman Junction) in the City Of Gresham, Oregon. The RROW has been abandoned and declared surplus.

EFFECTIVE DATE: Any Federal agency interested in acquiring the land or facility must notify the FTA Region 10 Office of its interest, by June 4, 1998.

ADDRESSES: Interested parties should notify the Regional Office by writing FTA Region 10, 915 Second Avenue, Room 3142, Seattle, Washington 98174-1002.

FOR FURTHER INFORMATION CONTACT: Michael J. Williams, Regional Engineer at (206) 220-7965; or Pat Berkley, FTA Headquarters Office of Program Management at (202) 366-6470.

SUPPLEMENTARY INFORMATION:

Background

49 U.S.C. Section 5334(g) provides guidance on the transfer of capital assets. Specifically, if a recipient of FTA assistance decides an asset acquired under this chapter, at least in part with that assistance, is no longer needed for the purpose for which it was acquired, the Secretary of Transportation may authorize the recipient to transfer the asset to a local governmental authority to be used for a public purpose with no further obligation to the Government.

Determinations

The Secretary may authorize a transfer to a local governmental authority for a public purpose other than mass transportation only if the Secretary decides—

(A) The asset will remain in public use for not less than 5 years after the date of the transfer;

(B) There is no purpose eligible for assistance under this chapter for which the asset should be used;

(C) The overall benefit of allowing the transfer is greater than the interest of the Government in liquidation and return of the financial interest of the Government in the asset, after considering fair market value and other factors; and

(D) Through an appropriate screening or survey process, that there is interest in acquiring the asset for Government use if the asset is a facility or land.

Federal Interest in Acquiring Land or Facility

This document implements the requirements of 49 U.S.C. Section 5334(g) (formerly Section 12(k)) of the
