

Accident Analysis section of the PORTS Safety Analysis Report (SAR). Based on an initial review of the amendment request, the NRC staff feels that sufficiently adequate safety controls are currently in place at PORTS to prevent and mitigate this accident. Therefore, other than the proposed modification to the PORTS SAR, this amendment would likely not require any other changes to plant operations.

The Nuclear Regulatory Commission has issued for public comment a proposed revision of a guide in its Regulatory Guide Series. This series has been developed to describe and make available to the public such information as methods acceptable to the NRC staff for implementing specific parts of the Commission's regulations, techniques used by the staff in evaluating specific problems or postulated accidents, and data needed by the staff in its review of applications for permits and licenses.

The guide is in Division 5, "Materials and Plant Protection." This proposed revision is being developed to provide updated guidance for use by licensees in determining when and how safeguards events should be reported.

The draft guide has not received complete staff review and does not represent an official NRC staff position.

The Commission plans to submit this existing collection of information to the Office of Management and Budget for approval.

- Rule 11Aa3-2 Filing and Amendment of National Market System Plans

Rule 11Aa3-2 provides that self-regulatory organizations ("SROs") may, acting jointly, file a national market system plan or may propose an amendment to an effective national market system plan by submitting the

text of the plan or amendment to the Secretary of the Commission, together with a statement of the purpose of such plan or amendment and, to the extent applicable, the documents and information required by Rule 11Aa3-2(b)(4) and (5). There are nine SROs which are members of the Intermarket Trading System ("ITS"), the Consolidated Tape Association ("CTA"), the Consolidated Quote System ("CQS"), the Nasdaq Stock Market, Inc., ("Nasdaq"), or the Options Price Reporting Association ("OPRA"). Only ITS, CTA, CQS, Nasdaq, or OPRA submit filings pursuant to Rule 11Aa3-2 and only after an agreement is reached among member SROs.
