Foreign-Trade Zones Board

[Docket 27-98]

Foreign-Trade Zone 147—Reading, PA Application for Subzone Status Hanover Direct, Inc. (Distribution of Consumer Goods) Hanover, PA

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Foreign-Trade Zone Corporation of Southeastern Pennsylvania, grantee of FTZ 147, requesting special-purpose subzone status for the consumer goods distribution facility of Hanover Direct, Inc., located in Hanover, Pennsylvania. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on May 26, 1998.

The Hanover facility (270,000 sq. ft. on 20 acres) is located at 101 Kindig Lane, Hanover, Pennsylvania. The facility (300 employees) is used for storage, inspection, packaging and distribution of a wide variety of consumer products such as home furnishings, housewares, home improvement accessories, garden products, safety products, men's and

women's apparel and accessories, golf equipment and accessories, athletic wear, and jewelry and gifts. The facility supports Hanover's mail order business. About 20 percent of the products are sourced from abroad and over 5 percent are exported.

Zone procedures would exempt Hanover from Customs duty payments on foreign products that are reexported. On its domestic sales, the company would be able to defer duty payments until merchandise is shipped from the plant. The application indicates that the savings from zone procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ staff has been appointed examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is July 31, 1998. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 17, 1998.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations:

The Applicable Statute

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act.

Extension of Time Limits for Preliminary Results

The Department of Commerce has received a request to conduct an administrative review of the antidumping duty order on industrial nitrocellulose from the United Kingdom. On August 28, 1997, the Department initiated this administrative review covering the period July 1, 1996 through June 30, 1997. On February 4, 1998 the Department extended the time limits for the preliminary results to June 1, 1998.

Because of the complexity of certain issues concerning the Department's policy with respect to selling activities in the United States, it is not practicable to complete this review within the time limits mandated by section 751(a)(3)(A) of the Act (see Memorandum from Joseph Spetrini to Robert LaRussa, Re: Extension of Time Limit for Administrative Review of Industrial Nitrocellulose from the United Kingdom, May 21, 1998). Therefore, in accordance with that section, the Department is extending the time limits for the preliminary results to July 31, 1998, and for the final results to 120 days after the publication of the preliminary results. These extensions of

time limits are in accordance with section 751(a)(3)(A) of the Act.
