Description: The Corporation for National and Community Service proposes to revise the current Project Progress Report (PPR) in order to reflect the revised National Senior Service Corps (NSSC) Grant Application. The revised PPR will be used by NSSC grantees to report progress toward accomplishing work plan goals and objectives, achieving Government Performance and Results Act (GPRA) goals, meeting challenges encountered, describing significant activities, and requesting technical assistance.

In January 1998, NSSC announced a 60-day review and comment period, ending March 15, 1998, during which project sponsors and the public were encouraged to submit comments on the revised draft PPR form. Existing sponsors were provided copies of the draft concurrent with **Federal Register** publication.

Approximately 15 written comments were received from over 1,245 existing Senior Corps projects and the public. As many of the comments as feasible were incorporated into the revised PPR form. Key changes include clarifying instructions.

Once approved by OMB, the revised PPR form will be completed by all public and private, non-profit organizations receiving National Senior Service Corps funds. The anticipated implementation schedule calls for the revised PPR form to be used with grants having a start date of July 1, 1998 or thereafter. As the current PPR form expires in December 1998, all NSSC grantees will utilize the revised PPR by no later than December 30, 1998.
