### SUPPLEMENTARY INFORMATION:

#### I. Background

The Project Progress Report (PPR) was designed to assure that National Service Senior Corps (NSSC) grantees address and fulfill legislated program purposes, meet agency program management and grant requirements, and assess progress toward work plan objectives agreed-upon in the granting of the award. Information is used by agency project managers to determine that projects are achieving goals and objectives, identify technical assistance needed to correct deficiencies, manage budget variances and resource issues arising in grants, track trends requiring changes in program policies and procedures, and establish priorities for project monitoring activities. Established NSSC grantees submit PPRs twice annually to

their agency project manager. First-year projects, new components, demonstrations, and projects experiencing problems or with substantial project revisions report quarterly, as identified in the Notice of Grant Award agreed to and signed by the sponsor/grantee.

## II. Current Action

The Corporation for National and Community Service seeks to revise the current PPR in order to reflect or mirror changes made in the revised National Service Senior Corps Grant Application which received OMB approval in mid-December 1997. All NSSC grantees with a start date of July 1, 1998 will be required to use the new Grant Application. We anticipate making available to all NSSC grantees, an OMB approved revised PPR by July of 1998.

The revised PPR will be used by NSSC grantees to report progress toward accomplishing work plan goals and objectives, achieving Government Performance and Results Act (GPRA) goals, meeting challenges encountered, describing significant activities, and requesting technical assistance.

Information gathered from PPRs will allow agency project managers to determine that projects are achieving goals and objectives outlined in the Grant Application, compile GPRA data, assess and monitor programmatic challenges and significant activities, identify technical assistance needs, and assure compliance with legislative requirements, policies, procedures, and grant conditions.

## DEPARTMENT OF DEFENSE

### Office of the Secretary

#### Submission for OMB Review Comment Request

**ACTION:** Notice.

The Department of Defense has submitted to OMB for clearance, the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

*Title, Associated form, and OMB number:* Defense Federal Acquisition Regulation Supplement (DFARS) Part 230, Cost Accounting Standards, and DD Form 1861, Contract Facilities Capital Cost of Money; DD Form 1861; OMB Number 0704-0267.

*Type of Request:* Revision.

*Number of Respondents:* 25,609.

*Responses Per Respondent:* 1.6 (approximately).

*Annual Responses:* 42,058.

*Average Burden Per Response:* 10 hours.

*Annual Burden Hours:* 420,580.

*Needs and Uses:* It is Department of Defense policy to encourage contractor investment in facilities, which may lead, under DoD contracts, to increased productivity and reduced costs through the use of modern manufacturing technology. To motivate aggressive capital investment, DoD rewards contractors by recognizing contract facilities capital cost of money (CFCCM) and facilities capital employed in establishing the price of certain negotiated defense contracts, when such contracts are priced on the basis of cost analysis. DD Form 1861, Contract Facilities Capital Cost of Money, is used to compute these two elements of price. The contracting officer may require information from the contractor to complete this form. The CFCCM amount is used to help establish a price objective in negotiated contracts. The facilities capital employed amount is carried forward to DD Form 1547, Record of Weighted Guidelines Method Application, for the purpose of developing profit objectives on defense contracts when the Weighted Guidelines method is used. DFARS 230.7004-2, DD Form 1861, indicates that: (1) Completion of the DD Form 1861 requires information not included on

the Form CASB-CMF; and (2) the contracting officer could request information through a solicitation provision.

*Affected Public:* Business or Other For-Profit; Not-For-Profit Institutions.

*Frequency:* On occasion.

*Respondent's Obligation:* Required to obtain or retain benefits.

*OMB Desk Officer:* Mr. Peter N. Weiss. Written comments and recommendations on the proposed information collection should be sent to Mr. Weiss at the Office of Management and Budget, Desk Officer for DoD, Room 10236, New Executive Office Building, Washington, DC 20503.

*DOD Clearance Officer:* Mr. Robert Cushing.

Written requests for copies of the information collection proposal should be sent to Mr. Cushing, WHS/DIOR, 1215 Jefferson Davis Highway, Suite 1204, Arlington, VA 22202-4302.

Dated: January 15, 1998.
