SUPPLEMENTARY INFORMATION:

OMB Control No.: 3060-0635.

Title: Amateur Vanity Call Sign Request.

Form No.: FCC 610-V.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households.

Number of Respondents: 80,000.

Estimated Time Per Response: .33 hour.

Frequency of Response: On occasion reporting requirement.

Cost to Respondents: \$4,000,000.

Total Annual Burden: 26,400 hours.

Needs and Uses: The FCC Form 610-V is used to apply for a vanity (special) call sign in lieu of a systematically issued call sign. This information

collection has been revised to eliminate the need for attaching a photocopy of the applicant's current operator/primary station license document, and to add space on the form for the applicant to provide an Internet or e-mail address. The fee information, such as payment type code, quantity and fee due is being deleted from the application because a Fee Remittance Advice (FCC Form 159) is now required to be submitted along with any payment due to the FCC. The respondent costs have been modified due to an adjustment in the regulatory fee structure for Amateur vanity call signs. The Commission will not be collecting the Taxpayer Identification Number (TIN) on the form as previously indicated in the **Federal Register** notice. TIN is also collected on the FCC Form 159 which is required by any payment to the FCC.

The information collected in the application is used by FCC staff to determine eligibility for radio station authorization and to issue a radio station/operator license. Data is also used by Compliance personnel in conjunction with field engineers for enforcement and interference resolution purposes.

SUPPLEMENTARY INFORMATION:

A. Need For and Use of Information Collection

Section 7 of the Federal Home Loan Bank Act (Bank Act) and part 932 of the Finance Board's regulations establish eligibility and reporting requirements and the procedures for electing and appointing Federal Home Loan Bank (FHLBank) directors. See 12 U.S.C. 1427; 12 CFR part 932. The information collection contained in the elective and appointive FHLBank director personal certification and disclosure forms and §§ 932.18 and 932.21 of the Finance Board's regulations, is necessary to enable the Finance Board to determine whether prospective and incumbent elective and appointive FHLBank directors satisfy the statutory and regulatory eligibility and reporting requirements. See Finance Board forms E-1, E-2, A-1, and A-2; 12 CFR 932.18 (appointive directors), 932.21 (elective directors). Accordingly, Finance Board staff uses the information collection to determine whether respondents meet the statutory and regulatory eligibility requirements. The information collection requires each respondent to complete and submit to the Finance Board for review a personal certification and disclosure form prior to election or appointment and, once elected or appointed, annually during the term of service. Incumbent directors also have a continuing obligation promptly to notify the Finance Board of any known or suspected ineligibility. See 12 CFR 932.18(f)(2); 932.21(g)(2).

The OMB number for the information collection is 3069-0002. The OMB clearance for the information collection expires on January 31, 1998.

B. Burden Estimate

The Finance Board estimates the total annual average number of respondents at 286, with one response per respondent. The estimate for the average hours per response is 1.3 hours. The estimate for the total annual hour burden is 376 hours (286 respondents × 1 response/respondent × approximately 1.3 hours). The estimated annualized cost to respondents of the information collection is \$35,175.00.

C. Comment Request

In accordance with the requirements of 5 CFR 1320.8(d), the Finance Board published a request for public comments regarding this information collection in the **Federal Register** on November 6, 1997. See 62 FR 60093 (Nov. 6, 1997). The 60-day comment period closed on January 5, 1998. The Finance Board received no public

comments. Written comments are requested on: (1) Whether the collection of information is necessary for the proper performance of the functions of the Finance Board, including whether the information has practical utility; (2) the accuracy of the Finance Board's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Comments may be submitted to OMB in writing at the address listed above.

By the Federal Housing Finance Board.

Dated: January 12, 1998.
