DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP98-700-000]

Columbia Gas Transmission Corporation; Notice of Request Under Blanket Authorization

August 10, 1998.

Take notice that on July 30, 1998, Columbia Gas Transmission Corporation (Columbia Gas), 12801 Fair Lakes Parkway, Fairfax, Virginia 22030-1046, filed in Docket No. CP98-700-000 a request pursuant to Sections 157.205 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205 and 157.216) for permission and approval to abandon, certain natural gas facilities located in Greene County, Pennsylvania. Columbia Gas makes such request under its blanket certificate issued in Docket No. CP83-76-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request on file with the Commission and open to public inspection.

Specifically, Columbia Gas proposes to abandon approximately 0.61 mile of 10-inch transmission Line 10 and appurtenances, 0.05 mile of 4-inch transmission Line 803 and appurtenances, and one point of delivery to Columbia Gas of Pennsylvania, Inc. (CPA). It is stated that the section of Line 10 proposed to be abandoned, is an uncoated pipeline that once transported gas for local producers, a supply which no longer exists. Columbia Gas avers there are no points of delivery from this section of Line 10, and that the section of Line 803 for which abandonment authority is requested, formerly provided service to CPA, but is no longer utilized for that purpose since CPA has a new supply to its market.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is
