### Providing Oral or Written Comments at SAB Meetings

The Science Advisory Board expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. In general, for teleconference meetings, opportunities for oral comment by members of the public will usually be limited to no more than three minutes per speaker and no more than fifteen minutes total. For meetings, opportunities for oral comment by members of the public will usually be limited to no more than five minutes per speaker and no more than thirty minutes total. Written comments (at least 35 copies) received in the SAB Staff Office sufficiently prior to a meeting date (usually one week before the meeting), may be mailed to the relevant SAB committee or subcommittee; comments received too close to the meeting date will normally be provided to the relevant SAB committee or subcommittee at its meeting, or in the case of teleconferences, will be provided immediately following the teleconference meeting. Written comments may be provided to the relevant committee or subcommittee up until the time of the meeting. Public comments (written or oral) should focus on scientific or technical aspects of the matters before the Committee at its meeting.

Individuals requiring special accommodation at SAB meetings, including wheelchair access, should contact the appropriate DFO at least five business days prior to the meeting so that appropriate arrangements can be made.
