DEPARTMENT OF JUSTICE

Immigration and Naturalization Service

[INS No. 1955-98]

Notice of Intent to Prepare a Supplemental Draft Environmental Impact Statement for the Immigration and Naturalization Service and Joint Task Force Six Activities Along the United States/Mexico Border

AGENCY: Immigration and Naturalization Service, Justice.

ACTION: Notice of intent to prepare a Supplemental Programmatic Environmental Impact Statement (PEIS).

SUMMARY:

Proposed Action

The Immigration and Naturalization Service (INS) will prepare a Supplemental Programmatic Environmental Impact Statement (PEIS) for the INS and Joint Task Force 6 (JTF6) activities along the U.S. and Mexico border and Texas Gulf Coast. This document supplements a previous PEIS prepared in 1994 which addressed ongoing and projected activities for a 5-year period. Typical activities undertaken by INS and JTF6 include, but are not limited to, design and construction of roads, fences, training facilities and administrative buildings, aerial photography interpretation, and transport of evidentiary materials. All JTF6 activities are requested by various law enforcement agencies and must have a nexus to illegal drug interdictions.

Environmental impacts resulting from continuation of these activities will be addressed as part of the supplemental PEIS. Consideration of past and future activities will be included as part of a cumulative impact analysis.

Pursuant to the Council on Environmental Quality's regulations, public Scoping meetings will be held to inform interested parties of proposed actions and to solicit their comments.

Alternatives

In developing the Supplemental PEIS, the options of (1) no action and continuation of the INS/JTF6 construction program, (2) reduction of select INS/JTF6 construction activities, and (3) restricting certain designs and/or site locations, will be fully examined. Other practical alternatives identified during the public Scoping process will also be addressed.

Scoping Process

During the preparation of the Supplemental PEIS, there will be

numerous opportunities for public involvement in order to determine the issues to be examined. Ten Scoping meetings will be held in Texas, New Mexico, Arizona and California. Notice of the Scoping meetings will be published in local newspapers prior to the meetings indicating the date, time, and location of each Scoping meeting.

PEIS Preparation

Public notice will be given in the **Federal Register** concerning the availability of the PEIS for public review and comment.
