

is necessary for the proper performance of functions of the Office of Personnel Management, and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

Approximately 2,500 DPRS-2809 forms are completed annually. We estimate it takes approximately 15 minutes to complete the form. The annual burden is 625 hours.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension:

Rule 17a-5, Form X-17A-5—SEC File No. 270-155—OMB Control No. 3235-0123
Rule 17a-5(c)—SEC File No. 270-199—OMB Control No. 3235-0199
Rule 17a-7—SEC File No. 270-147—OMB Control No. 3235-0131

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. § 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 17a-5 under the Securities Exchange Act of 1934 ("Exchange Act") ("Act") is the basic reporting rule for brokers and dealers, and Form X-17A-5, the Financial and Operational Combined Uniform Single Report, is the basic document for reporting the financial and operational condition of securities brokers and dealers.

The staff estimates that approximately 7,765 respondents respond to this collection of information 39,895 times annually, with a total burden of 12 hours for each response, based upon past submissions. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 17a-5 is 478,740 hours. The average cost per hour is \$100. Therefore, the total cost of compliance for the respondents is \$47,874,000.

Rule 17a-5 does not contain record retention requirements. Compliance

with the rule is mandatory. Responses are kept confidential pursuant to paragraph 17a-5(a)(3).

Rule 17a-5(c) under the Exchange Act requires certain brokers and dealers to provide statements of financial condition to their customers. It is estimated that approximately 750 broker and dealer respondents incur an average burden of 294,444 hours per year to comply with this rule.

Rule 17a-5(c) does not contain record retention requirements. Compliance with the rule is mandatory. Responses are not confidential.

Rule 17a-7 under the Exchange Act requires non-resident brokers or dealers to maintain in the United States complete and current copies of books and records required to be maintained under any rule adopted under the Act. Alternatively, Rule 17a-7 provides that the non-resident broker or dealer may sign a written undertaking to furnish the requisite books and records to the Commission upon demand.

There are approximately 86 non-resident brokers and dealers. Based on the Commission's experience in this area, it is estimated that the average amount of time necessary to preserve the books and records in the United States as required by Rule 17a-7 is one hour per year. Accordingly, the total burden is 86 hours per year.

There are no individual record retention periods in Rule 17a-7. Compliance with the rule is mandatory, however, non-resident brokers and dealers may opt to provide the information upon request rather than store it in the United States.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number.

General comments regarding the estimated burden hours should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10202, New Executive Office Building, Washington, DC 20549; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: September 2, 1998.

Margaret H. McFarland,
Deputy Secretary.
