**DEPARTMENT OF COMMERCE****International Trade Administration**

[A-122-503]

**Iron Construction Castings From Canada: Notice of Final Results of Changed Circumstances Antidumping Duty Administrative Review, and Revocation in Part of Antidumping Duty Order**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Final Results of Changed Circumstances Antidumping Duty Administrative Review, and Revocation in Part of Antidumping Duty Order.

**SUMMARY:** In response to the April 30, 1998 request by the Municipal Castings Fair Trade Council, the petitioner in this case, the Department of Commerce (the Department) simultaneously initiated a changed circumstances antidumping duty administrative review and issued the preliminary results of this review expressing an intent to revoke, in part, the antidumping duty order on iron construction castings from Canada. The

scope of the order currently includes valve, service, and meter boxes which are placed below ground to encase water, gas, or other valves, or water and gas meters, which are considered light castings. We are now revoking that portion of the order relating to light castings, based on the fact that this portion of the order is no longer of interest to domestic parties.

**EFFECTIVE DATE:** September 17, 1998.

**FOR FURTHER INFORMATION CONTACT:** Alexander Amdur or Wendy Frankel, AD/CVD Enforcement, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-5346/5849, respectively.

**SUPPLEMENTARY INFORMATION:****Applicable Statute and Regulations**

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 (the Act) by the Uruguay Round Agreements Act (URAA). In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations codified at 19 CFR Part 351 (62 FR 27296, May 19, 1997).

**Background**

On April 30, 1998, the Municipal Castings Fair Trade Council (the petitioner), requested that the Department revoke, in part, the antidumping duty order with respect to light iron construction castings based on its lack of further interest. We preliminary determined that petitioner's affirmative statement of no interest constituted good cause for conducting a changed circumstances review. Consequently, on July 8, 1998, the Department published a notice of initiation and preliminary results of changed circumstances antidumping duty administrative review to determine whether to revoke this order in part (63 FR 6876). We gave interested parties an opportunity to comment on the preliminary results of this changed circumstances review. We received no comments.

**Scope of the Order**

The merchandise covered by the order consists of certain iron construction castings from Canada, limited to manhole covers, rings, and frames, catch basin grates and frames, cleanout covers and frames used for drainage or access purposes for public utility, water and sanitary systems, classifiable as heavy

castings under Harmonized Tariff Schedule (HTS) item numbers 7325.10.0010 and 7325.10.0050; and to valve, service, and meter boxes which are placed below ground to encase water, gas, or other valves, or water and gas meters, classifiable as light castings under HTS item numbers 8306.29.0000 and 8310.00.0000. The HTS item numbers are provided for convenience and Customs purposes only. The written description remains dispositive.

#### Scope of the Changed Circumstances Administrative Review

Imports covered by this changed circumstances administrative review are shipments of light castings from Canada, as described above.

#### Final Results of Changed Circumstances Review; Partial Revocation of Antidumping Duty Order

The affirmative statement of no interest by the petitioner constitutes changed circumstances sufficient to warrant partial revocation of this order. Therefore, the Department is partially revoking the order on iron constructions castings from Canada, with regard to light castings, in accordance with sections 751(b) and (d) and 782(h) of the Act and 19 CFR 351.222(g)(1)(i). This partial revocation applies to all entries of light iron construction castings entered, or withdrawn from warehouse, for consumption on or after March 1, 1997.

#### New Scope of the Order

The merchandise covered by the order consists of certain iron construction castings from Canada, limited to manhole covers, rings, and frames, catch basin grates and frames, cleanout covers and frames used for drainage or access purposes for public utility, water and sanitary systems, classifiable as heavy castings under Harmonized Tariff Schedule (HTS) item numbers 7325.10.0010 and 7325.10.0050. The HTS item numbers are provided for convenience and Customs purposes only. The written description remains dispositive.

#### Ending of Suspension of Liquidation

The Department will instruct the U.S. Customs Service to end the suspension of liquidation of light iron construction castings subject to this changed circumstances review on the effective date of this notice, and to refund any estimated antidumping duties collected, for all unliquidated entries of such merchandise made on or after March 1, 1997. We will also instruct Customs to pay interest on such refunds in accordance with section 778 of the Act.

This notice is in accordance with sections 751(b) and 777(i)(1) of the Act (19 U.S.C. 1675(b) and 1677f(i)(1)), and 19 CFR 351.216, 351.221, and 351.222.

Dated: August 20, 1998.
