**DATES:** The Draft Restoration Plan and Environmental Assessment will remain available for public review through November 20, 1998. Comments regarding this document should be received no later than November 20, 1998. Additionally, a public meeting will be held to discuss the Draft Restoration Plan and Environmental Assessment starting at 7 p.m. on November 5, 1998, at the Herndon Middle School, 901 Locust Street, Herndon, Virginia.

**ADDRESSES:** Comments on the Draft Restoration Plan and Environmental Assessment should be sent to the following contact person Daniel

Public reading copies of the Draft Restoration Plan and Environmental Assessment will be available for review at the following location. Virginia Department of Environmental Quality, Northern Regional Office, 13901 Crown Court, Woodbridge, VA 22193.

**SUPPLEMENTARY INFORMATION:** On March 28, 1993, a subsurface petroleum products pipeline owned and operated by the Colonial Pipeline Company ruptured near Reston, Virginia, discharging approximately 408,000 gallons of No. 2 fuel oil (diesel) into Sugarland Run, the Potomac River, and surrounding environments. Several natural resources, including fish, wildlife, and their habitats, were adversely affected. Additionally, recreational use of natural resources in and around National Park Service facilities, and regional and local parks, was adversely affected. This Draft Restoration Plan and Environmental Assessment presents the Trustees' proposed restoration alternative for making the environment and the public whole for injuries to, or loss of, natural resources and services resulting from the Oil Spill. It also evaluates the environmental impacts and considers the no action alternative as required by NEPA. The Trustees are soliciting comments on this Draft Restoration Plan and Environmental Assessment. These comments will be considered in evaluating the Environmental Assessment, making decisions pursuant to NEPA, and developing the Final Restoration Plan.

**FOR FURTHER INFORMATION:** Contact Daniel Hamson, National Park Service, at the above address.
