ACTION: Additions to and deletions from the Procurement List.

SUMMARY: This action adds to the Procurement List commodities and

EFFECTIVE DATE: November 30, 1998.

Additions

The following comments pertain to Warehouse Operation, the Dredge WHEELER Spare Parts Warehouse, 400 Edwards Avenue, Suite F, Harahan, Louisiana.

Comments were received from the current contractor for this service. The contractor stated that tasks to be performed did not appear to be suitable for people who are blind or severely disabled. These tasks include operating a forklift, making shipping crates, operating power tools, and lifting heavy items.

These tasks will in fact be performed by people who are blind, one of whom is a qualified forklift operator. Accordingly, the Committee has concluded that performance of this service is suitable for people who are blind.

After consideration of the material presented to it concerning capability of qualified nonprofit agencies to provide the commodities and services and impact of the additions on the current or most recent contractors, the Committee has determined that the commodities and services listed below are suitable for procurement by the Federal Government under 41 U.S.C. 46-48c and 41 CFR 51-2.4.

I certify that the following action will not have a significant impact on a substantial number of small entities. The major factors considered for this certification were:

1. The action will not result in any additional reporting, recordkeeping or other compliance requirements for small entities other than the small organizations that will furnish the commodities and services to the Government.

2. The action will not have a severe economic impact on current contractors for the commodities and services.

3. The action will result in authorizing small entities to furnish the commodities and services to the Government.

4. There are no known regulatory alternatives which would accomplish the objectives of the Javits-Wagner-O'Day Act (41 U.S.C. 46-48c) in connection with the commodities and services proposed for addition to the Procurement List.

Accordingly, the following commodities and services are hereby added to the Procurement List:
