#### Renewal of the Navy Planning and Steering Advisory Committee

**ACTION:** Notice.

**SUMMARY:** The Navy Planning and Steering Advisory Committee (PSAC) has been renewed in consonance with the public interest, and in accordance with the provisions of Pub. L. 92-463, the "Federal Advisory Committee Act."

The PSAC provides objective advice and recommendations to the Secretary of Defense, the Secretary of the Navy and the Chief of Naval Operations on matters relating to ballistic missile security and anti-submarine warfare. The committee establishes a technical dialogue between experts from the public and private sectors on matters of national security involving the ballistic missile program.

The PSAC will be composed of approximately 25 members, from government and private academic, scientific, and intelligence communities who are experts in the disciplines of ballistic missile security and anti-submarine warfare, thus ensuring a fairly balanced membership in terms of the functions to be performed and the interest groups represented.

For further information regarding the PSAC, contact: Laura Wurzer, Department of the Navy, telephone: 703-602-4039.
