**Nordictrack, Glencoe, Minnesota,
Chaska, Minnesota; Amended
Certification Regarding Eligibility To
Apply for Worker Adjustment
Assistance**

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on October 15, 1998, applicable for all workers of Nordictrack, Glencoe, Minnesota. The notice will soon be published in the **Federal Register**.

At the request of the State agency, the State agency, the Department reviewed the certification for workers of the subject firm. New information submitted to the Department shall that worker separations have occurred at the subject firm's Chaska, Minnesota location. The NordicTrack workers in Chaska provide services and administrative support for the production of exercise equipment at the Glencoe plant.

The intent of the Department's certification is to include all workers of Nordictrack who were affected by increased imports. Accordingly, the Department is amending the worker certification to include the workers of the subject firm in Chaska, Minnesota, providing services and administrative support of the Glencoe plant.

Other findings on review show that the Department incorrectly set the impact date at July 7, 1997. The workers at the subject firm were covered under an earlier certification, TA-W-32, 707, which expired September 12, 1998. In order to avoid an overlap in coverage, the Department is also amending this certification to set the impact date at September 13, 1998.

The amended notice applicable to TA-W-34, 758 is hereby issued as follows:

All workers of NordicTrack, Glencoe, Minnesota (TA-W-34, 758) and Chaska, Minnesota (TA-W-34, 758A), who became totally or partially separated from employment on or after September 13, 1998 through October 15, 2000, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.
