General Electric Company, Power Systems Plant, Fitchburg, Massachusetts; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of October 30, 1998, the company requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance for workers of the subject firm. The determination was signed on September 17, 1998, and published in the **Federal Register** on October 9, 1998 (63 FR 54494).

Subsequent to the issuance of the determination the company provided additional information with respect to company imports and lost bids that merits the Department's reinvestigation of the initial determination.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of

Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 12th day of November 1998.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.

Levi Strauss and Company; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a

Certification of Eligibility to Apply for Worker Adjustment Assistance on August 7, 1997, applicable to workers of Levi Strauss and Company, located in El Paso, Texas. The notice was published in the **Federal Register** on September 17, 1998 (62 FR 48888). The certification was subsequently amended to include subject firm workers at various facilities and offices and contract workers at facilities where the subject firm's workers had been previously certified.

At the request of the company, the Department reviewed the certification for workers of the subject firm. New information received by the company

shows that worker separations occurred at two companies; El Paso Physical Therapy Services and J and L Enterprises, performing contract services for Levi Strauss's previously certified production facilities; the Pellicano Finishing Facility, El Paso, Texas and the Amarillo Finishing Plant, Amarillo, Texas. Based on this new information, the Department is amending the certification to cover workers at El Paso Physical Therapy Services, El Paso, Texas and J and L Enterprises, Amarillo, Texas.

The intent of the Department's certification is to include all workers of
