

**SUPPLEMENTARY INFORMATION:****I. Abstract**

The Census Bureau plans to request clearance for the collection of data concerning the School Enrollment Supplement to be conducted in conjunction with the October 1999 CPS. The Census Bureau and the Bureau of Labor Statistics (BLS) sponsor the basic annual school enrollment questions, which have been collected annually in the CPS for 30 years.

This survey provides information on public/private elementary school, secondary school, and college enrollment, and on characteristics of private school students and their families, which is used for tracking historical trends, policy planning, and support. This year's supplement will also contain questions that were last asked in October 1995. These questions concern language proficiency, disabilities, and grade retention for persons 3–24 years of age. This survey is the only source of national data on the age distribution and family characteristics of college students and the only source of demographic data on preprimary school enrollment. As part of the federal government's efforts to collect data and provide timely information to local governments for policymaking decisions, the survey provides national trends in enrollment and progress in school.

**II. Method of Collection**

The school enrollment information will be collected by both personal visit and telephone interviews in conjunction with the regular October CPS interviewing. All interviews are conducted using computer-assisted interviewing.

#### **Certain Pasta From Italy and Turkey: Notice of Extension of Time Limits for Second Antidumping Duty Administrative Reviews**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** March 12, 1999.

**FOR FURTHER INFORMATION CONTACT:** John Brinkmann, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, DC 20230; telephone (202) 482-5288.

#### **SUPPLEMENTARY INFORMATION:**

#### **Postponement of Preliminary Results**

On August 27, 1998, the Department of Commerce ("the Department") initiated the second administrative reviews of the antidumping duty orders on certain pasta from Italy and Turkey, covering the period July 1, 1997 through June 30, 1998 (63 FR 45796). The current deadline for the preliminary results of these reviews is April 1, 1999. Section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act"), requires the Department to make a preliminary determination in an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the reviews within the time period, section

751(a)(3)(A) of the Act allows the Department to extend this time period to up to 365 days.

We determine that it is not practicable to complete these reviews within the original time frame because they involve collecting and analyzing information from a large number of companies, including investigating sales below the cost of production for all companies. Although section 751(a)(3)(A) of the Act allows for an extension of up to 120 days, we believe at this time that only a limited extension of the deadline is necessary to analyze the complex legal and methodological issues. Accordingly, the Department is extending the time limit for completion of the preliminary results of these administrative reviews by 90 days, or until June 30, 1999. We plan to issue the final results of these administrative reviews within 120 days after publication of the preliminary results.

These extensions are in accordance with section 751(a)(3)(A) of the Act.

Dated: March 3, 1999.

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective in 1992. In addition, unless otherwise indicated, all citations to the Department's regulations are to the regulations at 19 CFR Part 353 (1992).

## **Postponement of Final Determination**

On January 28, 1999, the Republic of Kazakhstan (ROK) requested a 60-day postponement of the date for the Department to make its final determination in this investigation pursuant to section 735(a)(2) of the Act. Because our preliminary determination was affirmative, because the Republic of Kazakhstan represents the totality of the respondents, and because no compelling reasons for denial exist, we are granting the respondent's request to postpone the final determination.

As the Notice of Resumption of Antidumping Investigation was published on January 19, 1999, the new deadline for the final determination will be June 3, 1999. Suspension of liquidation will be extended accordingly.

On January 22, 1999, USEC, Inc., and its subsidiary, the United States Enrichment Corporation, an interested party in the proceeding, requested a hearing. On January 29, 1999, the Ad Hoc Committee of Domestic Uranium Producers, a Petitioner in the proceeding, requested a hearing. Finally, on February 1, 1999, the Paper, Allied-Industrial-Chemical and Energy Workers International Union (PACE), formerly the Oil, Chemical and Atomic Workers Union, a Petitioner in the proceeding, also requested a hearing. As a result of the postponement of the final determination, the Department is also postponing the date of the hearing to May 12, 1999. Case briefs will be due on May 3, 1999, with rebuttal briefs being due on May 10, 1999.

This notice of postponement is published pursuant to 19 CFR 353.20(b)(2)(1992).
