Florida Gas Transmission Company; Notice of Proposed Changes in FERC Gas Tariff

March 15, 1999.

Take notice that on March 5, 1999, Florida Gas Transmission Company (FGT) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheet, effective April 1, 1999:

Substitute Twenty-Third Revised Sheet No. 8A.01

FGT states that on February 25, 1999 in Docket No. TM99-4-34-000 (February 25 Filing), tariff sheets were filed pursuant to Section 27 of the General Terms and Conditions of FGT's Tariff to establish a Fuel Reimbursement Charge Percentage of 2.76% and a Unit Fuel Surcharge of <\$0.0050> per MMBtu. FGT states that it is making the instant filing to correct the maximum usage charge for FGT's Rate Schedule FTS-2 in conformance with the tariff changes being filed concurrently herewith as discussed below.

On September 24, 1997, the Commission issued an order approving FGT's Stipulation and Agreement of Settlement (Settlement) in Docket Nos. RP96-366, et al. resolving all issues in its rate proceeding. The Settlement

included, among other things, a provision for tiered rates for FGT's Rate Schedule FTS-2, with FGT's filed rate becoming effective March 1, 1997, and decreases to become effective March 1, 1999 and March 1, 2000. Tariff Sheet 8A.01, which reflects FGT's Rate Schedule FTS-2 rates, included the tiered Settlement rates for all three periods, but the decreased rates effective March 1, 1999 and March 1, 2000 were contained in a footnote.

FGT is filing concurrently herewith to move the reservation and usage rates that became effective March 1, 1999 from the footnote to the columns on Sheet No. 8A.01 reflecting the currently effective FTS-2 rates.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Granite State Gas Transmission, Inc.; Notice of Proposed Changes in FERC Gas Tariff

March 15, 1999.

Take notice that on March 10, 1999, Granite State Gas Transmission, Inc. (Granite State) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the substitute revised tariff sheets listed below for effectiveness on April 1, 1999:

Substitute Eighteenth Revised Sheet No. 21
Substitute Nineteenth Revised Sheet No. 22

According to Granite State, the substitute revised tariff sheets above supersede the revised tariff sheets it filed on March 1, 1999, to make

effective the Power Cost Adjustment (PCA) surcharge applicable to its firm transportation services during the second quarter of 1999. Granite State states that there was an error in the March 1 filing in calculating the interest in deriving one of the components of the surcharge—the Reconcilable PCA factor. The correct calculation increases this factor to <\$0.3923> which reduces the Total PCA surcharge for the second quarter to \$0.9334, according to Granite State.

Granite State further states that copies of its filing have been served on its firm transportation customers and on the regulatory agencies of the states of Maine, Massachusetts and New Hampshire.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings.
