DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The Acting Leader, Information Management Group, Office of the Chief Information Officer, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before May 24, 1999.

ADDRESSES: Written comments and requests for copies of the proposed information collection requests should be addressed to Patrick J. Sherrill, Department of Education, 400 Maryland Avenue, SW., Room 5624, Regional Office Building 3, Washington, DC 20202-4651, or should be electronically mailed to the internet address *Pat—Sherrill@ed.gov*, or should be faxed to 202-708-9346.

FOR FURTHER INFORMATION CONTACT: Patrick J. Sherrill (202) 708-8196. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the

information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Leader, Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

The Department of Education is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: March 18, 1999.

The National Commission on Mathematics and Science Teaching for the 21st Century; Notice of Establishment

AGENCY: Office of the Under Secretary, Education.

ACTION: Notice of establishment of the National Commission on Mathematics and Science Teaching for the 21st Century.

SUMMARY: The Secretary of Education announces his intention to establish the National Commission on Mathematics and Science Teaching for the 21st Century. The Commission will be governed by Federal Advisory Committee Act (P.L. 92-463 as amended; 5 U.S.C.A. Appendix 2).

Purpose

The Secretary has determined that the establishment of the National Commission on Mathematics and Science Teaching for the 21st Century is necessary and in the public interest as stated in the Secretary's Annual State of American Education report. The Commission's purpose is to review the current state of American K-12 mathematics and science education with a focus on the challenges of teacher recruitment, preparation, retention, and professional growth and to articulate the steps needed to strengthen the classroom practice of math and science teachers. The Commission will produce a report describing specific action steps that federal, state, and local policymakers can take to address math and science teacher supply and quality issues. The Commission will issue a final report to the Secretary by September 30, 2000. This report shall contain a detailed statement of the findings and conclusions together with its recommendations. The Secretary will share this report with the President and Congress along with the Commission's

recommendations. The Commission shall consist of twenty-two members, appointed by the Secretary, who shall be appointed from, but not limited to, the following groups: current or recent members of Congress, Governors, Mayors, State Legislators, Chief State School Officers, Nobel laureates, CEO's, University president, principals, teachers, parents, students, public representatives, and other distinguished leaders in the fields of mathematics and science. Ex-officio, non-voting members, of the Commission, include: the Secretary of Education or his designee, the Secretary of Defense, the Secretary of Energy, the Secretary of Transportation, the NASA Administrator, the Director of the Office of Science and Technology Policy, the Director of the National Science Foundation, and the President of the National Academy of Sciences.

FOR ADDITIONAL INFORMATION: Contact Linda Rosen, U.S. Department of Education, Washington, DC 20202, Telephone: (202) 205-9891.

Dated: March 17, 1999.
